Section 48 – Provision of information by the Council

114. [Section 48](#) inserts a new section 9A into the 1965 Act, which places a duty on the GTC to make rules about the availability of information from the register. The GTC's rules will be able to differentiate between the kinds of information to be made available to the public generally and to employers or potential employers of teachers, and the way in which information will be available, e.g. by providing on-line access, by making a copy of the register (or a section of the register) available for inspection, or by responding to a request for information.
