#### *Section 50: Notice of Council's decision*

149. This section requires the Council to give an applicant notice of a decision to grant an application for registration or to implement a proposal to refuse registration or to grant registration subject to conditions. It also requires the Council to give a registered person notice of a decision to remove, suspend, restore or alter an entry in a part of the register or to implement a proposal to vary or remove conditions or impose an additional condition on registration.
150. Subsection (3) provides that the Council would have to explain in the notice the right of appeal against the decision and, where appropriate, any new or varied conditions imposed on registration. The amendment would allow no action to be taken in relation to the decision until the period of appeal (ie 14 days) has elapsed or the appeal, if brought, is finally determined or abandoned.
