

Community Care and Health (Scotland) Act 2002

2002 asp 5

PART 2

JOINT WORKING ETC.

14 Payments by local authorities towards expenditure by NHS bodies on prescribed functions

A local authority may—

- (a) if, in their opinion, to do so would be likely to lead to an improvement in the way in which their functions are exercised; and
- (b) on such conditions as may be prescribed,

make payments to an NHS body towards expenditure incurred, or to be incurred, by the body in connection with the performance by it of such of its functions as may be prescribed.

Changes to legislation:

There are currently no known outstanding effects for the Community Care and Health (Scotland) Act 2002, Section 14.
