Extension of order by responsible medical officer

84 Responsible medical officer's duty where extension of order appears appropriate

- (1) This section applies where a patient's responsible medical officer is carrying out—

 - (b) a further review of that order.
- (2) If, having regard to any views expressed by persons consulted under section 77(3)(c) of this Act for the purpose of the review being carried out, it appears to the responsible medical officer—
 - (a) that it will continue to be necessary for the patient to be subject to a compulsory treatment order after the day on which the order will cease (unless extended) to authorise the measures specified in it; and
 - (b) that the order should not be varied by modifying the measures, or any recorded matter, specified in it,

the responsible medical officer shall give notice to the mental health officer that the responsible medical officer is proposing to make a determination under section 86 of this Act extending the order.
