 - (b) shall secure that registrable land is land appearing to them to be rural.
- (4) The description of excluded land in an order under this section shall consist of or include—
 - (a) a map showing the boundaries of that land; or
 - (b) a reference to such a map.
- (5) Where that description consists of or includes a reference to a map which does not form part of the order, Ministers shall make copies of the map available for public inspection at such times and places as they think fit.
- (6) Registrable land includes land consisting of—

 - (i) to such other community body or crofting community body as may be approved by Ministers; or
 - (ii) if no other community body or crofting community body is so approved, to Ministers or to such charity as Ministers may direct.
- (2) Ministers may, if they think it in the public interest to do so, disapply the requirement specified in subsection (1)(c) above in relation to any body they may specify.
- (3) In subsection (1) above, “company limited by guarantee” has the same meaning as in section 1(2)(b) of the Companies Act 1985 (c. 6).

- (2) Where there is a standard security over an interest in any land to which the application relates the community body shall, at the same time as it applies, provide Ministers with notice, in the prescribed form, of that fact.
- (3) Where an applicant community body satisfies Ministers that the owner of the land in which a community interest is sought to be registered or, as the case may be, a creditor in a standard security over any part of that land is unknown or cannot be found, Ministers shall be relieved of their duties under subsections (5) to (10), and paragraphs (b) and (c) of subsection (17), below in so far as those duties relate to the owner or, as the case may be, creditor.
- (4) Ministers shall not be satisfied under subsection (3) above unless the community body has given public notice of the proposed application by—

 - (e) by notice sent to—
 - (i) the owner of the land; and

- (6) The circumstances referred to in subsection (5)(c) above are that—
 - (a) a calling-up notice has been served by the creditor under section 19 of the Conveyancing and Feudal Reform (Scotland) Act 1970 (c. 35) in relation to the land in which the community body is seeking to register an interest or any part of that land and that notice has not been complied with;

 to the Keeper.
- (8) A transfer in breach of a prohibition imposed under subsection (5)(e) above is of no effect.

- (11) Ministers shall decline to consider an application that—
 - (a) does not comply with the requirements of or imposed under this section;
 - (b) is otherwise incomplete;
 - (c) discloses that any land to which it relates is not registrable land; or
 - (d) otherwise indicates that it is one which Ministers would be bound to reject;
 and Ministers shall be relieved of their duties under subsections (5) to (10) above, and paragraphs (b) and (c) of subsection (17) below, in relation to such an application.
- (12) Declinature of an application is, for the purposes of subsection (17) below, to be regarded as a decision not to enter the community interest in the Register.

Status: Point in time view as at 14/06/2004.

Changes to legislation: There are currently no known outstanding effects for the Land Reform (Scotland) Act 2003, Part 2. (See end of Document for details)

- (20) Where Ministers decide that a community interest is to be entered in the Register they shall direct the Keeper to so enter the interest with effect from the date on which Ministers made the decision.

38 Criteria for registration

- (1) Ministers shall not decide that a community interest is to be entered in the Register unless they are satisfied—
 - (a) that the land is registrable land;
 - (b) that—
 - (i) a significant number of the members of the community defined under section 34(1)(a) above have a substantial connection with the land; or
 - (ii) the land is sufficiently near to land with which those members of that community have a substantial connection and that its acquisition by the community body is compatible with furthering the achievement of sustainable development;
 - (c) where the land is salmon fishings or mineral rights, that the community body—
 - (i) has registered or is registering an interest in; or
 - (ii) has acquired or is acquiring,
other land containing or contiguous to the waters in which those salmon fishings exist or the land in which those mineral rights are exigible;
 - (d) that there is within the community a level of support sufficient to justify such registration; and
 - (e) that it is in the public interest that the community interest be so registered.
- (2) For the purposes of subsection (1)(d) above, Ministers—
 - (a) shall regard an indication of the approval of one tenth or more of the members of the community; and
 - (b) may regard an indication of the approval of less than one tenth of those members,
as signifying a sufficient level of support.
- (3) References in this section to the community are, as respects a community body, references to the community defined in relation to that body under section 34(1)(a) above.

Status: Point in time view as at 14/06/2004.

Changes to legislation: There are currently no known outstanding effects for the Land Reform (Scotland) Act 2003, Part 2. (See end of Document for details)

39 Procedure for late applications

- (1) This section applies in relation to an application to register a community interest in land—
 - (a) where the application is received by Ministers—
 - (i) after the date on which the owner of the land or, as the case may be, a creditor in a standard security with a right to sell the land has taken action which, if a community interest had been registered, would be prohibited under section 40(1) below; and
 - (ii) before the date on which—
 - (A) missives for the sale and purchase of the land are concluded; or
 - (B) an option to acquire the land is conferred,
 in pursuance of that action; or
 - (b) where another community body has registered an interest in the land, where the application is received by Ministers—
 - (i) after the date on which the owner of the land or, as the case may be, such a creditor has, under section 48(1) below, notified that community body that a transfer is proposed; and
 - (ii) before Ministers have consented, under section 51(1) below, to a transfer to that community body.
- (2) Where this section applies in relation to an application—
 - (a) the owner of the land or, as the case may be, such a creditor shall, on receipt of an invitation under section 37 above, inform Ministers that this section applies; and
 - (b) the procedure for registering community interests in land set out in section 37 above is, for the purposes of the application, subject to the following modifications—
 - (i) paragraph (b) of subsection (9) does not apply; and
 - (ii) in subsection (17), for “63” there is substituted “30”.
- (3) Where this section applies in relation to an application, Ministers shall not decide that a community interest is to be entered in the Register unless they are (additionally to the matters as to which they are to be satisfied under section 38 above) satisfied—
 - (a) that there were good reasons why the community body did not secure the receipt of an application before the owner of the land or, as the case may be, the creditor took the action, or gave the notice, such as is mentioned in subsection (1) above;
 - (b) that the level of support within the community for such registration is significantly greater than that which Ministers would, by virtue of subsection (2) of that section, have considered sufficient for the purposes of subsection (1)(d) of that section had the application been received before that action was taken or, as the case may be, the notice was given; and
 - (c) that the factors bearing on whether it is or is not in the public interest that the community interest be registered are strongly indicative that it is.
- (4) Where a community interest in land is registered in pursuance of an application in relation to which this section applies—

Status: Point in time view as at 14/06/2004.

Changes to legislation: There are currently no known outstanding effects for the Land Reform (Scotland) Act 2003, Part 2. (See end of Document for details)

- (a) the owner of the land is, for the purposes of this Part of this Act (other than section 59(4)), deemed to have, on the date on which that interest is so registered, given notice under section 48(1) below that a transfer is proposed;
 - (b) section 49 below does not apply in so far as it relates to that interest; and
 - (c) for the purposes of sections 55(2) and (4), 56(3), 59(1) and 65(1)(a) below, the community body is deemed to have sent the confirmation which Ministers would, had section 49 below applied, have required to seek under subsection (2)(a) of that section on the date on which the interest is registered.
- (5) Where, but for the provision made by subsection (1)(a)(ii) above, this section would apply in relation to an application to register a community interest in land Ministers—
- (a) shall decline to consider the application; and
 - (b) shall be relieved of their duties under subsections (5) to (10), and paragraphs (b) and (c) of subsection (17), of section 37 above in relation to that application.

40 Effect of registration

- (1) For so long as a community interest in land is registered the owner of the land, and any creditor in a standard security having a right to sell the land, is prohibited from—
- (a) transferring that land (or any land of which that land forms part); or
 - (b) taking any action with a view to the transfer of that land (or any land of which that land forms part),
- except in accordance with this Part of this Act.
- (2) A transfer in breach of subsection (1)(a) above is of no effect.

 - (c) the owner or such a creditor, or a person acting on behalf of the owner or such a creditor, proceeds further with any proposed transfer of the land which was initiated prior to the date on which the interest was registered.

43 Anti-avoidance provisions

- (1) A transfer such as is mentioned in paragraph (a), (e) or (h) of subsection (4) of section 40 above is a transfer to which subsection (1) of that section applies if it is or forms part of a scheme or arrangement or is one of a series the main purpose or effect, or one of the main purposes or effects, of which is the avoidance of the requirements or consequences of this Part of this Act.
- (2) Where land in respect of which a community interest is registered is being transferred otherwise than by way of a transfer to the community body which registered that interest, the transferor shall incorporate in the deed giving effect to the transfer a declaration—
 - (a) specifying which provision of subsection (4) of section 40 above operates so as to make the transfer one to which subsection (1) of that section does not apply; and
 - (b) where the provision so specified is paragraph (a), (e) or (h) of that subsection, stating that the transfer does not form part of a scheme or arrangement, and is not one of a series, such as is mentioned in subsection (1) above.

44 Duration and renewal of registration

- (1) A registered community interest has, subject to subsection (4) below, effect for a period of five years from the date when it was registered.
- (2) A community body which has registered a community interest may, at any time within six months before the expiry of that period, apply under section 37 above to re register the interest.
- (3) On such an application, Ministers may, subject to section 38 above, direct the Keeper to re-enter the interest in the Register.
- (4) An interest so re registered continues to have effect as a registered community interest for a period of five years from the date on which the interest would otherwise have ceased to have effect under this section.
- (5) A registered community interest does not cease to have effect on completion of a transfer such as is mentioned in subsection (4) of section 40 above.

45 Deletion of community interest in land

- (1) If Ministers are satisfied that there has, since the date on which they decided that a community interest should be registered, been a change in any matters to the extent that, if the application to register that community interest were made afresh, they would decide that the interest is not to be entered in the Register, they shall direct the Keeper to delete that interest.
- (2) Ministers shall not, however, do so without first giving the community body which registered the community interest and the owner of the land an opportunity to state views on the proposed deletion.

Status: Point in time view as at 14/06/2004.

Changes to legislation: There are currently no known outstanding effects for the Land Reform (Scotland) Act 2003, Part 2. (See end of Document for details)

46 Re-registration of community interest

Nothing in section 44 or 45 above prevents a community body from applying to register an interest in land in respect of which, or in respect of part of which, it previously had an interest which has—

- (a) ceased to have effect under section 44(1) or (4) above; or
- (b) been deleted under section 45(1) above.

CHAPTER 3

ACTIVATION OF RIGHT TO BUY

47 Activation of right to buy

- (1) The right to buy land in which a community interest has been registered arises and may be exercised when the owner of the land or, as the case may be, a creditor in a standard security with a right to sell the land gives, or is deemed to have given, notice under section 48(1) below that a transfer is proposed.
- (2) That right, however, is exercisable only in relation to particular holdings of land; accordingly, references in this and the following sections of this Part of this Act to land as respects which the right to buy is being exercised, is sought to be exercised or has been exercised are references to such holdings.
- (3) Subsection (1) above shall not operate so as to provide a community body with a right to buy any land in respect of which it has not registered an interest in accordance with this Part of this Act.
- (4) In subsection (2) above, “holding” has the same meaning as in subsections (14) and (15) of section 37 above.

48 Duties on owner, or creditor, proposing to transfer land

- (1) Where the owner of land in respect of which a community interest is registered or, as the case may be, a creditor in a standard security with a right to sell such land proposes to transfer that land (or any land of which that land forms part) by way of a transfer under this Part of this Act, the owner or, as the case may be, such a creditor shall notify that fact to—

CHAPTER 5

- (1) Ministers shall, within 7 days of the receipt of a confirmation, sought by them under section 49(2)(a) above, that a community body will exercise its right to buy the land,

Status: Point in time view as at 14/06/2004.

Changes to legislation: There are currently no known outstanding effects for the Land Reform (Scotland) Act 2003, Part 2. (See end of Document for details)

appoint a valuer, being a person who appears to Ministers to be suitably qualified, independent and to have knowledge and experience of valuing land of a kind which is similar to the land being bought, to assess the value of the land.

- (2) The validity of anything done under this section is not affected by any failure by Ministers to comply with the time limit specified in subsection (1) above.
- (3) In assessing the value of land in pursuance of an appointment under subsection (1) above, a valuer—
 - (a) does not act on behalf of the owner of the land or the community body which is exercising its right to buy the land; and
 - (b) shall act as an expert and not as an arbiter.
- (4) The value to be assessed is the market value of the land—
 - (a) as at the date of notification under section 48(1) above which gave rise to the right to buy the land; or
 - (b) in a case where the community body's interest was registered in pursuance of an application to which section 39 above applied, as at the date of Ministers' receipt of that application.
- (5) Where the land the value of which is to be assessed includes salmon fishings or mineral rights, the value of those fishings or rights shall be separately assessed.
- (6) The “market value” of land, for the purposes of subsection (4) above, is the aggregate of—
 - (a) the value it would have on the open market as between a seller and a buyer both of whom are, as respects the transaction, willing; and
 - (b) where a community body is exercising a right to buy which has arisen in relation to part only of the land in respect of which the owner has given notice under section 48(1) above that a transfer is proposed, the amount of any diminution in the value of the other part of that land which is attributable to the fact that part only of the land is being bought by the body.
- (7) In assessing, for those purposes, the value which land would have in the circumstances mentioned in subsection (6)(a) above—
 - (a) account may be taken, insofar as a seller and a buyer of the land such as are mentioned in subsection (6) above would do so, of any factor attributable to the known existence of a person who (not being the community body which is exercising its right to buy the land) would be willing to buy the land at a price higher than other persons because of a characteristic of the land which relates peculiarly to that person's interest in buying it;
 - (b) no account shall be taken of—
 - (i) the registration of an interest in or the exercise of a right to buy the land by a community body under this Part of this Act;
 - (ii) the absence of the period of time during which the land would, on the open market, be likely to be advertised and exposed for sale;
 - (iii) any depreciation in the value of any other land owned by the seller;
 - (iv) the expenses of the valuation or otherwise related to the sale and purchase of the land.
- (8) Where the proposed transfer which gave rise to a community body's right to buy land was conditional upon moveable property belonging to the owner of the land and used

Changes to legislation: There are currently no known outstanding effects for the Land Reform (Scotland) Act 2003, Part 2. (See end of Document for details)

in connection with it being sold with the land, the appointment of the valuer shall be extended to include the valuation of that moveable property.

- (9) In any case where that appointment is so extended the moveable property shall be valued separately from the land, individual items of moveable property shall be valued separately from each other and the provisions of this section relating to the assessment of the value of land shall, so far as appropriate, apply for the purposes of the valuation of the moveable property.
- (10) The expense of a valuation under this section shall be met by Ministers.

60 Procedure for valuation

- (1) In carrying out a valuation under section 59 above, the valuer shall invite the owner of the land and the community body which is exercising its right to buy the land to make written representations about the value of the land and any moveable property being bought with the land and shall consider any representations made accordingly.
- (2) The valuer shall, within the period set out in subsection (3) below, notify Ministers, the owner of the land and the community body which is exercising its right to buy the land of the assessed value of the land and of any moveable property which has been valued.
- (3) The period referred to in subsection (2) above is the period of 6 weeks beginning with the date of appointment of the valuer or such other longer period as Ministers may, on an application by the valuer, fix.
- (4) The validity of anything done under this Part of this Act is not affected by any failure by a valuer to comply with the time limit specified in subsection (3) above.
