Chapter 3 – Co-operation and information

Public access to Register

36. **Section 21** requires OSCR to make the Scottish Charity Register available for public inspection. It is expected that OSCR will use its web-site to make the register widely and freely available and to publicise its arrangements, but it will also be available, free, at the OSCR principal offices and otherwise as it thinks fit. This may, for instance, mean providing information from the register in Braille, large-print or other medium as requested. OSCR may also charge a fee, limited to the cost of supply, for preparing information if this is provided by alternative means or in other places.
