4 Further provision about regional Transport Partnerships

Schedule 1 provides further as to Transport Partnerships and their members.

Regional transport strategies

5 Formulation and content of regional transport strategies

- (1) It is the duty of each Transport Partnership to draw up a strategy for transport within its region (its “transport strategy”).
- (2) Its transport strategy shall include provision about each of the following matters—
 - (a) the respects in which transport in the region needs to be provided, developed or improved having regard to, among other things—
 - (i) future needs including those occasioned by demographic and land use changes; and
 - (ii) what can be done, taking account of cost, funding and practicability;
 - (b) meeting the needs of all inhabited places, in particular, those which the Partnership considers different from the remainder of the region by reason of their remoteness or the sparsity of their populations;
 - (c) meeting the need for efficient transport links between heavily populated places;
 - (d) how transport in the region will be provided, developed, improved and operated so as—
 - (i) to enhance social and economic well-being;
 - (ii) to promote public safety, including road safety and the safety of users of public transport;
 - (iii) to be consistent with the principle of sustainable development and to conserve and enhance the environment;
 - (iv) to promote social inclusion;
 - (v) to encourage equal opportunities and, in particular, the observance of the equal opportunities requirements;
 - (vi) to facilitate access to hospitals, clinics, surgeries and other places where a health service is provided;
 - (vii) to integrate with transport elsewhere;
 - (e) the order of priority in which different elements of the provision, development and improvement of transport should be undertaken;
 - (f) how the Transport Partnership’s functions will be exercised so as to fulfil its transport strategy and, if the Partnership considers that the conferring of further functions is necessary for that purpose, what those functions are;
 - (g) how the Transport Partnership, so as to enable it to fulfil its transport strategy, will seek to influence its constituent councils or council in the performance of their functions relating to transport;
 - (h) the measuring and monitoring of the achievement of the strategy.
- (3) In performing its duty under this section, a Transport Partnership shall have regard to any guidance in that respect given to it or to Transport Partnerships generally by the Scottish Ministers and to any current national transport strategy established by the Scottish Ministers.

- (4) In subsection (2)(d)(v) above, “equal opportunities” and “equal opportunities requirements” have the same meanings as in Section L2 of Part II of Schedule 5 to the Scotland Act 1998 (c. 46).

6 Procedure before and after the drawing up of regional transport strategies

- (1) A Transport Partnership shall—
- (a) before arriving at its transport strategy, consult—
 - (i) its constituent councils or council;
 - (ii) each Health Board the area or part of the area of which falls within the Transport Partnership’s region (or, if that region is coterminous with a Health Board’s area, that Health Board); and
 - (iii) such other persons as it thinks fit;
 - (b) subject to subsection (2) below—
 - (i) in the case of a Partnership created under section 1 above on or before 31 March 2006, by 31 March 2007;

- (2) The Scottish Ministers may—
- (a) at the request of a Transport Partnership made to them within 8 months of the creation of the Partnership; and
 - (b) if satisfied that there are good reasons for doing so, authorise the Partnership to submit its transport strategy to them later than the time limit specified in subsection (1)(b) above in relation to the Partnership but not later than such date as is specified in the authorisation.
- (3) A Transport Partnership making a request for the purposes of subsection (2) above shall, if so required by the Scottish Ministers, provide them with reports or information of such kind and in such form as they, for the purposes of that subsection, specify in the requirement.
- (4) A transport strategy has effect for the purposes of this Act when it is approved by the Scottish Ministers.
- (5) In deciding whether to approve a transport strategy, the Scottish Ministers shall include among the matters to which they have regard the extent to which it will contribute to the realisation of their transport policies.
- (6) On approving its transport strategy, the Scottish Ministers shall inform the Transport Partnership of that fact.
- (7) On being so informed, the Transport Partnership shall—
- (a) inform its constituent councils or council that its transport strategy has effect, specifying the date when it took effect;
 - (b) send each of them or, as the case may be, a copy of the transport strategy; and

CHAPTER 3

SUPPLEMENTARY AND CONSEQUENTIAL PROVISION

15 Transfer of staff, property, rights and liabilities

- (1) The TUPE regulations apply in relation to any function transferred by virtue of section 2, 10 or 13 above whether or not those regulations would so apply apart from this subsection.
- (2) Where, by virtue of the TUPE regulations, whether as applied by subsection (1) above or not, a member of staff (the “employee”) of a body, authority or other person (the “former employer”) becomes an employee of another body, authority or other person (the “new employer”) in consequence of the transfer of a function by virtue of section 2, 10 or 13 above, the employee’s period of employment by the former employer counts, for the purposes of the Employment Rights Act 1996 (c. 18), as a period of employment by the new employer and the change of employment does not break the continuity of the period of employment.

Status: This is the original version (as it was originally enacted).

- (3) For the purposes of subsections (1) and (2) above, a function is to be regarded as transferred by virtue of section 2, 10 or 13 above irrespective of how the transfer is described in that section or in the order made under it.

 - (a) becomes that of another; or

- (6) Subsection (5) above has effect in relation to property, rights and liabilities specified in or identified by an order made under it despite any provision (of whatever nature) which would otherwise prevent or restrict its operation or that of the order; and any provision which would penalise that operation is disapplied.
- (7) In this section, the “TUPE regulations” means the Transfer of Undertakings (Protection of Employment) Regulations 1981 ([S.I. 1981/1794](#)) (or any regulations replacing those regulations) as from time to time amended.
