## **EXPLANATORY NOTES**

### **THE ACT – SECTION BY SECTION**

#### **Part 1 – Environmental Assessment for Plans and Programmes**

##### ***Section 10 – Screening: publicity for determinations***

32. **Section 10** provides for how Responsible Authorities should publicise their determinations under section 8(1). This includes a requirement to send a copy of the determination (and any statement of reasons under section 8(2)(b)) to the Consultation Authorities and to make those items available to the public in various specified ways.
