## **EXPLANATORY NOTES**

### **THE ACT – SECTION BY SECTION**

#### **Part 2 – Environmental Reports and Consultation**

##### ***Section 14 – Preparation of environmental report***

36. This section, along with schedule 3, sets out in detail the nature and content of an environmental report. The report should describe and evaluate the likely significant effects on the environment of the proposed plan or programme and of the alternative approaches considered. Section 14(5) allows Scottish Ministers by order to modify schedule 3. Any order made by the Scottish Ministers in this respect is subject to annulment by resolution of the Scottish Parliament.
