

Environmental Assessment (Scotland) Act 2005 2005 asp 15

PART 3

POST-ADOPTION PROCEDURES

19 Monitoring of implementation of qualifying plans and programmes

- (1) The responsible authority shall monitor the significant environmental effects of the implementation of every qualifying plan or programme for which it has carried out an environmental assessment.
- (2) The responsible authority shall do so in a manner (which may comprise or include arrangements established otherwise than for the express purpose of compliance with subsection (1)) which enables the authority to—
 - (a) identify any unforeseen adverse effects at an early stage; and
 - (b) undertake appropriate remedial action.
