

# Flood Risk Management (Scotland) Act 2009 2009 asp 6

## PART 2

#### PRINCIPAL EXPRESSIONS

#### 3 "Flood" and "flood risk"

In this Act—

"flood" means the temporary covering by water from any source of land not normally covered by water, but does not include a flood solely from a sewerage system (and related expressions such as "flooding" are to be construed accordingly),

"flood risk" means the combination of the probability of a flood and of the potential adverse consequences, associated with a flood, for human health, the environment, cultural heritage and economic activity,

"flood solely from a sewerage system" means the temporary covering of land by sewage caused solely by a failure in or blockage of a sewerage system which is not connected with any loading on the system by external hydraulic factors (for example by heavier than usual rainfall or higher than usual river levels).

#### 4 SEPA

In this Act, "SEPA" means the Scottish Environment Protection Agency.

#### 5 **Responsible authorities**

(1) For the purposes of this Act, responsible authorities are—

- (a) local authorities,
- (b) Scottish Water, and
- (c) such other public bodies and office-holders (or public bodies or office-holders of such descriptions) as the Scottish Ministers may designate by order.
- (2) Before making an order under subsection (1)(c), the Scottish Ministers must consult—
