

Flood Risk Management (Scotland) Act 2009

2009 asp 6

PART 3

FLOOD RISK ASSESSMENT, MAPS AND PLANS

Flood risk management plans

29 Flood risk management plans: guidance

- (1) The Scottish Ministers must give guidance to SEPA on the setting of objectives and identification of measures under sections 27 and 28.
- (2) The guidance must, in particular, address the consideration of measures that consist of carrying out any alteration (including enhancement) or restoration of a natural feature or characteristic.
- (3) The guidance must be given no later than 22nd December 2012.
- (4) The Scottish Ministers must review and where appropriate update the guidance not later than—
 - (a) 6 years after it was given, or
 - (b) where the guidance has been reviewed under this subsection, 6 years after the last such review.
- (5) Before giving the guidance or updating it under subsection (4), the Scottish Ministers must consult—
 - (a) SEPA,
 - (b) every responsible authority, and
 - (c) such other persons as they consider appropriate.
- (6) SEPA must have regard to any guidance given under this section.

Changes to legislation: There are currently no known outstanding effects for the Flood Risk Management (Scotland) Act 2009, Section 29. (See end of Document for details)
