PART 5

SEPA: OTHER FLOOD RISK MANAGEMENT FUNCTIONS

Flood warning

74 Flood warning

- (1) SEPA must, where it considers that a flood is occurring or likely to occur in the near future, make available warnings in relation to the flood.
- (2) Any warning under subsection (1)—
 - (a) of a flood which SEPA considers is occurring must be made available as soon as practicable after SEPA considers that is the case,
 - (b) of a flood which SEPA considers is likely to occur in the near future must be made available as soon as SEPA considers appropriate,
 - (c) is to be based on information available to SEPA, and
 - (d) must be made publicly available by SEPA by such means as it considers appropriate.
