## **EXPLANATORY NOTES**

### **COMMENTARY ON SECTIONS**

#### **Part 3 - Criminal Procedure**

##### ***Section 59 - Bail conditions: remote monitoring requirements***

271. **Section 59** repeals sections 24A to 24E of the Criminal Procedure (Scotland) Act 1995. Those provisions enable the court to impose an electronically monitored movement restriction as a condition of bail (electronic tagging) as a direct alternative to custodial remand in certain circumstances. This repeal will ensure that the court cannot impose an electronically monitored movement restriction condition as a condition of a bail order.
