Practice rules

Section 22 – Accounting and auditing

49. This section provides that practice rules must require licensed providers to have proper accounting and auditing procedures in place, and include equivalent provisions to the accounts rules in sections 35 to 37 of the 1980 Act for solicitors operating in an incorporated practice. Sections 35 to 37 require the Society to make rules regarding the separate holding of clients' funds, and the provision of an accountant's certificate to demonstrate compliance with those rules.
