EXPLANATORY NOTES

THE ACT

Part 7 – Common Enforcement Powers Etc.: Licensing and Marine Protection Etc.

Common enforcement powers of entry, search and seizure

Section 136 - Power to enter and inspect vehicles

197. **Section 136** sets out the powers of marine enforcement officers to enter and inspect vehicles at any time. An officer can also require the vehicle to be taken to an appropriate place to be inspected and can require assistance as necessary from people in the vehicle or the registered keeper. The powers may be exercised wherever and whenever it is necessary, although a warrant is necessary to enter a dwelling. For the purposes of this section, the term “vehicle” does not include vehicles at sea (i.e. vessels and marine installations). These are covered under section 134.
