COMMENTARY ON SECTIONS

Part 10 – Proceedings before Sheriff

Review of sheriff's determination

Section 110 – Application for review of grounds determination

164. This section restricts an application for a review of the grounds determination to the person who was the subject of that grounds determination (even if that person is no longer a child); or a person who is a relevant person in relation to the child. The right to request a review of the establishment of the ground does not apply to any offence ground remitted under section 71. The child in these circumstances has appeal rights under the Criminal Procedure (Scotland) Act 1995.
