Stay of registration of death pending review

In section 25B of the 1965 Act (registration of deaths)-

- (a) in subsection (1), after "subsection (2)" insert " and (2A) ", and
- (b) after subsection (2) insert—
 - "(2A) The registrar is not to register a death in respect of which the certificate of cause of death has been referred under section 24A or where the Registrar General has been notified under section 4(4) of the 2011 Act of an application for review having been made until the first occurrence of any of the following events—
 - (a) a medical reviewer, under section 7(2)(b) of the 2011 Act (request for review not to stay registration), notifying the registrar that it is appropriate in the circumstances to register the death before the review is complete,
 - (b) the certificate or its replacement being approved by a medical reviewer—
 - (i) under section 9 of the 2011 Act (action following satisfactory review), or
 - (ii) under section 10 of that Act (action following unsatisfactory review: medical reviewer),
 - (c) the certificate or its replacement being approved by the senior medical reviewer under section 11 of the 2011 Act (action following unsatisfactory review: senior medical reviewer),
 - (d) the senior medical reviewer, under section 11(8)(a), (9) (a) or 12(5)(a) of the 2011 Act, signifying that the review has been conducted,
 - (e) a medical reviewer, under section 12(2)(a) of the 2011 Act (action where relevant medical practitioner is unavailable or incapacitated), signifying that the review has been conducted, or

(a) inform the relevant medical practitioner of that view and the reasons for coming to that view, and

- (b) invite the relevant medical practitioner to attest and transmit to the medical reviewer a replacement certificate which takes account of the reasons.
- (3) If the relevant medical practitioner attests and transmits a replacement certificate which in the view of the medical reviewer is in order, the medical reviewer must approve the replacement certificate and transmit it to the relevant registrar.
- (4) If the relevant medical practitioner attests and transmits a replacement certificate which in the view of the medical reviewer is not in order, the medical reviewer must refer the review to the senior medical reviewer.
- (5) If the relevant medical practitioner declines to attest and transmit a replacement certificate in response to the invitation under subsection (2)(b), the medical reviewer must—
 - (a) approve the certificate and notify the relevant registrar accordingly, or
 - (b) refer the review to the senior medical reviewer.

11 Action following unsatisfactory review: senior medical reviewer

- (1) This section applies where a review is referred to the senior medical reviewer under section 10(4) or (5)(b).
- (2) The senior medical reviewer may conduct a further review of the certificate.
- (3) If the senior medical reviewer conducts a further review under subsection (2), the senior medical reviewer may exercise the powers conferred on a medical reviewer by section 8(2).
- (4) The senior medical reviewer must come to a view on whether the certificate is in order (and for that purpose references in section 8(4) to a medical reviewer are to be read as references to the senior medical reviewer).
- (5) If the senior medical reviewer comes to the view that the certificate is in order, the senior medical reviewer must approve the certificate and notify the relevant registrar and the relevant medical practitioner accordingly.
- (6) If the senior medical reviewer comes to the view that the certificate is not in order, the senior medical reviewer must—
 - (a) inform the relevant medical practitioner of that view and the reasons for coming to that view, and
 - (b) invite the relevant medical practitioner to attest and transmit to the senior medical reviewer a replacement certificate which takes account of the reasons.
- (7) If the relevant medical practitioner attests and transmits a replacement certificate which in the view of the senior medical reviewer is in order, the senior medical reviewer must approve the replacement certificate and transmit it to the relevant registrar.
- (8) If the relevant medical practitioner attests and transmits a replacement certificate which in the view of the senior medical reviewer is not in order, the senior medical reviewer must—
 - (a) signify that a review has been conducted and notify the relevant registrar accordingly, or

- (b) refer the certificate to the procurator fiscal for investigation into the cause of death of the deceased person to whom the certificate relates.
- (9) If the relevant medical practitioner declines to attest and transmit a replacement certificate, the senior medical reviewer must—
 - (a) approve the certificate, or otherwise signify that a review has been conducted, and notify the relevant registrar accordingly, or
 - (b) refer the certificate to the procurator fiscal for investigation into the cause of death of the deceased person to whom the certificate relates.

(10) Subsection (11) applies where—

- (a) the senior medical reviewer has come to the view that the certificate or, as the case may be, its replacement, is not in order because the senior medical reviewer is not satisfied that information (other than the cause of death) contained in the certificate (or its replacement) is correct, or
- (b) the relevant medical practitioner declines to attest and transmit a replacement certificate in response to the invitation under subsection (6).
- (11) The senior medical reviewer may (in addition to the action to be taken under subsection (8) or (9)) take such steps as the senior medical reviewer considers appropriate to inform such persons as the senior medical reviewer considers appropriate of the relevant information.

12 Action where relevant medical practitioner is unavailable or incapacitated

- (1) Subsections (2) and (3) apply where—
 - (a) a medical reviewer has conducted a review under section 8(1),
 - (b) the medical reviewer has come to the view that a medical certificate of cause of death is not in order, and
 - (c) the relevant medical practitioner is unavailable or unable to attest and transmit a replacement certificate in accordance with section 10.
- (2) The medical reviewer must—
 - (a) signify that a review has been conducted and notify the relevant registrar accordingly, or
 - (b) refer the certificate to the procurator fiscal for investigation into the cause of death of the deceased person to whom the certificate relates.
- (3) Where the medical reviewer has come to the view that the certificate is not in order because the medical reviewer is not satisfied that information contained in the certificate (other than the cause of death) is correct, the medical reviewer may (in addition to the action to be taken under subsection (2)) take such steps as the medical reviewer considers appropriate to inform such persons as the medical reviewer considers appropriate of the relevant information.
- (4) Subsections (5) and (6) apply where—
 - (a) a medical reviewer has referred a review to the senior medical reviewer under section 10(4) or (5)(b),
 - (b) the senior medical reviewer has come to the view that a medical certificate of cause of death is not in order, and
 - (c) the relevant medical practitioner is unavailable or unable to attest and transmit a replacement certificate in accordance with section 11.

- (5) The senior medical reviewer must—
 - (a) signify that a review has been conducted and notify the relevant registrar accordingly, or
 - (b) refer the certificate to the procurator fiscal for investigation into the cause of death of the deceased person to whom the certificate relates.
- (6) Where the senior medical reviewer has come to the view that the certificate is not in order because the senior medical reviewer is not satisfied that information contained in the certificate (other than the cause of death) is correct, the senior medical reviewer may (in addition to the action to be taken under subsection (5)) take such steps as the senior medical reviewer considers appropriate to inform such persons as the senior medical reviewer considers appropriate of the relevant information.

13 Duty to inform following review

- (1) This section applies where a medical reviewer has conducted a review under section 8(1).
- (2) The medical reviewer must, when a relevant requirement is first complied with in relation to the certificate to which the review relates, inform the persons mentioned in subsection (3) of the outcome of the review including, in particular, any changes made to the medical certificate of cause of death.
- (3) The persons are—
 - (a) the person who gave information of the particulars required to be registered concerning the death to the district registrar under section 23(1) of the 1965 Act,
 - (b) in the case of a review conducted by virtue of section 4, the interested person (unless that is the same person as mentioned in paragraph (a)).
- (4) In subsection (2), "relevant requirement" means a requirement imposed by any of the following sections—
 - (a) section 9(2),
 - (b) section 10(3) or (5)(a),
 - (c) section 11(5), (7), (8) or (9),
 - (d) section 12(2) or (5).

VALID FROM 13/05/2015

Powers of medical reviewers

14 **Power to require documents**

- (1) A medical reviewer may for the purposes of—
 - (a) reviewing a medical certificate of cause of death under section 8(1) or, as the case may be, section 11(2), or
 - (b) determining whether it is safe to cremate the body of a person who died outwith Scotland under section 18(2),

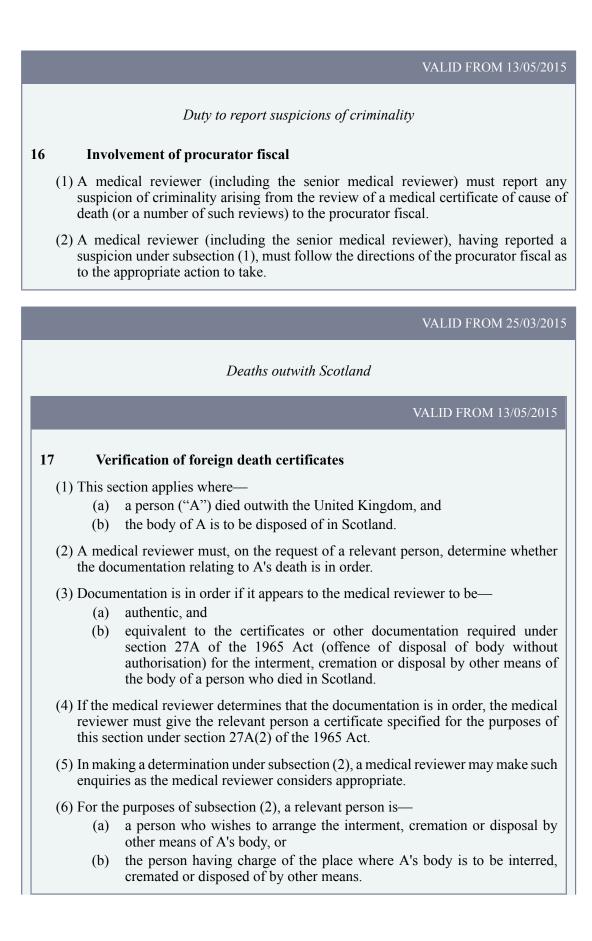

require any person who is able, in the opinion of the medical reviewer, to produce relevant documents (including health records) to do so.

- (2) Where a requirement under subsection (1) is imposed by the medical reviewer, the person in question must be given a notice specifying—
 - (a) the documents or types of documents which the person is required to produce,
 - (b) the date by which the person is required to produce them, and
 - (c) the name of the deceased person in respect of whom they are required.
- (3) For the purposes of this section, a person is to be taken to comply with a requirement to produce a document if that person produces a copy of, or an extract of the relevant part of, the document.
- (4) In this section, references to the medical reviewer include references to the senior medical reviewer.

15 Documents: offences

- (1) Any person to whom a notice under section 14 is given commits an offence if the person—
 - (a) deliberately alters, suppresses, conceals or destroys any document which that person is required to produce by the notice, or
 - (b) refuses or fails to produce any such document.
- (2) It is a defence for a person charged with an offence under subsection (1)(b) to prove that there was a reasonable excuse for the refusal or failure.
- (3) A person is not obliged under section 14 to produce any document which that person would be entitled to refuse to produce in a court in Scotland.
- (4) A person who commits an offence under this section is liable on summary conviction to a fine not exceeding level 5 on the standard scale or to imprisonment for a period not exceeding 3 months.
- (5) Where an offence under this section which has been committed by a body corporate is proved to have been committed with the consent or connivance of, or to be attributable to any neglect on the part of—
 - (a) a director, manager, secretary or other similar officer of the body corporate, or
 - (b) any person who was purporting to act in any such capacity,

that person, as well as the body corporate, commits the offence and is liable to be proceeded against accordingly.

18 Medical reviewers to authorise cremation

- (1) This section applies where—
 - (a) a person ("A") died outwith Scotland, and
 - (b) it is intended that A be cremated in Scotland.
- (2) A medical reviewer must, on an application by a person who wishes to arrange the cremation of A, determine whether it is safe for A's body to be cremated.
- (3) If the medical reviewer determines that it is safe for A's body to be cremated, the medical reviewer must give the applicant a certificate authorising the cremation.
- (4) The Scottish Ministers may by regulations make provision about-
 - (a) the form and content of applications under subsection (2),
 - (b) the procedure to be followed by medical reviewers in relation to applications under subsection (2),
 - (c) the form and content of the certificate authorising the cremation to be given under subsection (3).

19 Post-mortem examination of person who died outwith United Kingdom

- (1) This section applies where—
 - (a) a person ("A") dies outwith the United Kingdom,
 - (b) the body of A is to be disposed of in Scotland, and
 - (c) no cause of death is available.
- (2) A medical reviewer may, on an application by a relevant person—
 - (a) assist the relevant person in making arrangements for a post-mortem examination of A's body for the purpose mentioned in section 23(a) of the Human Tissue (Scotland) Act 2006 (asp 4), and
 - (b) meet the cost of such an examination.
- (3) For the purposes of subsection (2), a relevant person is a person who, under section 30, 32 or 33 of the Human Tissue (Scotland) Act 2006, may authorise a post-mortem examination of A's body.
- (4) The Scottish Ministers may by regulations make provision about the form and content of applications under subsection (2).

Other functions of medical reviewers

20 Training and information functions

- (1) A medical reviewer (including the senior medical reviewer) has the functions mentioned in subsection (2).
- (2) The functions are—
 - (a) to collate and analyse information relating to or contained in medical certificates of cause of death,
 - (b) to provide training, guidance and support to persons who are required to complete medical certificates of cause of death,

- (c) to provide guidance and support to district registrars in relation to medical certificates of cause of death,
- (d) to liaise with such persons as the medical reviewer considers appropriate with a view to improving—
 - (i) the accuracy of the information (and in particular the causes of death) recorded in medical certificates of cause of death, and
 - (ii) the administrative processes relating to the disposal of bodies.
