

These notes relate to the Certification of Death (Scotland) Act 2011 (asp 11) which received Royal Assent on 20 April 2011

CERTIFICATION OF DEATH (SCOTLAND) ACT 2011

EXPLANATORY NOTES

COMMENTARY ON SECTIONS

Other functions of medical reviewers

Section 23: Annual report

55. This section requires the senior medical reviewer to prepare and publish an annual report for the Scottish Ministers on the activities of medical reviewers. The Scottish Ministers may by regulation make further provision for additional information to be included, for greater frequency of reporting, or to specify additional people who must receive copies.
