EXPLANATORY NOTES

THE ACT – COMMENTARY ON SECTIONS

Part 6 – Sites of Special Scientific Interest

Section 40 – SSSI offences: civil enforcement

Subsection (1)

Restoration notices – inserted section 20A of the 2004 Act

254. Subsections (1) and (3) enable SNH to propose to give a restoration notice to the responsible person if it is satisfied that that person has committed a relevant offence under the 2004 Act. SNH must in particular specify why the proposal is to be made, that representations may be made in respect of the proposed notice, and the effect of accepting a restoration notice if served i.e. that a person who is the subject of a restoration notice who gives notice of intention to comply with the notice within 28 days of it being given is discharged from liability to conviction for the relevant offence
255. Subsection (2) explains what is meant by the term “restoration notice”.
256. Subsection (4) enables SNH to give a restoration notice after the period for making representations (28 days) has expired. Subsection (5) gives effect to a restoration notice only if the responsible person gives SNH notice of intention to comply with it within 28 days of the notice being given. Subsection (6) allows SNH to extend the period for operations to be carried under the notice or otherwise modify the notice as SNH considers appropriate. Subsection (7) clarifies that SNH may only modify the notice under (6)(b) where the responsible person has consented to such a modification. Subsection (8) allows SNH to withdraw a restoration notice should it become satisfied that the restoration notice should not have been given to the responsible person. Subsection (9) requires SNH to compensate the responsible person for any expenses reasonably incurred in complying with a notice which is withdrawn. Subsection (10) prevents proceedings being commenced or continued for an offence in relation to which a restoration notice has effect even if the notice is subsequently withdrawn.
257. Subsection (11) provides that failing to comply with a restoration notice will itself be an offence. In the event of the requirements of a restoration notice not being carried out, subsection (12) of that section allows SNH to carry out the operations and recover costs from the responsible person.
258. Subsection (1)(b) and (c) of section 40 of the Act amends sections 14(1) and 17(1) of the 2004 Act such that SNH consent is not required for operations carried out by public bodies or owner occupiers when such operations are in accordance with the requirements of a restoration notice.
259. Subsection (1)(d) and (e) of section 40 of the Act amends section 44(1) of the 2004 Act so in respect of a new power of entry to SNH for the purposes of it ascertaining whether
