

# Reservoirs (Scotland) Act 2011

## 2011 asp 9

### PART 1

### RESERVOIRS

### CHAPTER 5

#### CONSTRUCTION OR ALTERATION OF CONTROLLED RESERVOIRS

#### **41 Termination of supervision by construction engineer**

The obligation of the reservoir manager to appoint a construction engineer in respect of the relevant works terminates when the construction engineer gives a copy of the final certificate issued by the engineer in respect of the works to SEPA in accordance with section 39(9).
