

Reservoirs (Scotland) Act 2011

2011 asp 9

PART 1

RESERVOIRS

CHAPTER 5

CONSTRUCTION OR ALTERATION OF CONTROLLED RESERVOIRS

41 Termination of supervision by construction engineer

The obligation of the reservoir manager to appoint a construction engineer in respect of the relevant works terminates when the construction engineer gives a copy of the final certificate issued by the engineer in respect of the works to SEPA in accordance with section 39(9).
