33 Allocation of sheriffs and summary sheriffs to sheriff court districts

- (1) On the appointment of a sheriff or summary sheriff of a sheriffdom, the Lord President of the Court of Session must give the sheriff or summary sheriff a direction designating the sheriff court district or districts in which the sheriff or summary sheriff is to sit and perform the functions of sheriff or, as the case may be, summary sheriff.
- (2) The Lord President may at any time give a further direction to the sheriff or summary sheriff designating a different sheriff court district in which the sheriff or summary sheriff is to sit and perform the functions of sheriff or, as the case may be, summary sheriff.
- (3) A direction given to a sheriff or summary sheriff of a sheriffdom under this section is subject to any direction given under section 27 to the sheriff or summary sheriff by the sheriff principal of the sheriffdom for the purpose of giving effect to special provision made under subsection (3)(b) of that section.
- (4) Subsection (1) applies in the case where a direction under section 32(1) is made in relation to a sheriff or summary sheriff as it applies in the case where a sheriff or, as the case may be, summary sheriff is appointed.
