- (1) The weight of material disposed of on a taxable disposal is to be determined in accordance with regulations made by the Scottish Ministers.
- (2) The regulations may—
 - (a) specify rules for determining the weight,
 - (b) authorise rules for determining the weight to be specified by the Tax Authority in a manner set out in the regulations,
 - (c) authorise rules for determining the weight to be agreed by the person liable to pay the tax and [^{F1}a designated officer].
- (3) The regulations may, in particular, specify, or authorise the specification or agreement of, rules about—
 - (a) the method by which the weight is to be determined,
 - (b) the time by reference to which the weight is to be determined,
 - (c) the discounting of constituents (such as water).
- (4) The regulations may include provision that a specification authorised under subsection (2)(b) may provide—
 - (a) that it is to have effect only in relation to disposals of such descriptions as may be set out in the specification,
 - (b) that it is not to have effect in relation to particular disposals unless the Tax Authority is satisfied that such conditions as may be set out in the specification are met in relation to the disposals,

and the conditions may be framed by reference to such factors as the Tax Authority thinks fit (such as the consent of [^{F2}a designated officer] to the specification having effect in relation to disposals).
