 - (b) in the case of accruing resources, up to the amounts specified in the corresponding entries in column 3 of that schedule.
- (2) Despite paragraphs (a) and (b) of subsection (1), the resources which may be used for a purpose specified in column 1 may exceed the amount specified in the corresponding entry in column 2 or (as the case may be) column 3 if—
 - (a) in the case of resources other than accruing resources, the first condition is met,
 - (b) in the case of accruing resources, the second condition is met.
- (3) The first condition is that the total resources (other than accruing resources) used in financial year 2014/15 for all purposes specified in column 1 does not exceed the total of the amounts specified in column 2.

2 Direct-funded bodies

- (1) A direct-funded body may use resources in financial year 2014/15 for the purposes specified in column 1 of schedule 2 in relation to the body.

 - (b) it is not reasonably practicable, for reasons of urgency, to amend the overall cash authorisation by an order under section 7.
- (4) But the Scottish Ministers must not authorise payment of the sum if it would result in an excess of sums paid out of the Fund over sums paid into the Fund.
- (5) The aggregate amount of the sums which the Scottish Ministers may authorise to be paid out of the Fund under this section must not exceed £50,000,000.
- (6) Where the Scottish Ministers authorise a payment under this section they must, as soon as possible, lay before the Scottish Parliament a report setting out the circumstances of the authorisation and why they considered it to be necessary.
