

# Public Bodies (Joint Working) (Scotland) Act 2014

## 2014 asp 9

### PART 1

#### FUNCTIONS OF LOCAL AUTHORITIES AND HEALTH BOARDS

##### *Supplementary*

#### **59**      **Meaning of “integration authority”**

For the purposes of this Part, the “integration authority” for the area of a local authority is—

- (a) where in pursuance of the integration scheme for the area functions are delegated in accordance with the integration model mentioned in section 1(4) (a), the integration joint board established in pursuance of the scheme,
- (b) where in pursuance of the integration scheme for the area functions are delegated in accordance with the integration model mentioned in section 1(4) (b), the Health Board to which the functions are delegated,
- (c) where in pursuance of the integration scheme for the area functions are delegated in accordance with the integration model mentioned in section 1(4) (c), the local authority to which the functions are delegated,
- (d) where in pursuance of the integration scheme for the area functions are delegated in accordance with the integration model mentioned in section 1(4) (d), the local authority and the Health Board to which the functions are delegated, acting jointly.
