

Community Justice (Scotland) Act 2016

2016 asp 10

Performance in relation to community justice outcomes

29 Local improvement recommendations

- (1) A local improvement recommendation is a recommendation addressed to the community justice partners for the area of a local authority which sets out action which Community Justice Scotland considers—
 - (a) is necessary to enable the achievement of a nationally determined outcome or a locally determined outcome in the area of the authority, or
 - (b) would or might help to improve performance in achieving such an outcome in that area, or otherwise in relation to community justice in that area.
- (2) Community justice partners to whom a local improvement recommendation has been made must comply with any direction issued by Community Justice Scotland—
 - (a) to arrange for the publication (in such manner as may be specified) of—
 - (i) the recommendation, or
 - (ii) specified information in relation to the recommendation, or
 - (b) to notify Community Justice Scotland (within such period as may be specified) of—
 - (i) the action the community justice partners have taken or propose to take in response to the recommendation, or
 - (ii) their intention not to take any action in response to the recommendation.
- (3) In subsection (2), “specified” means specified in the direction.
