SCOTTISH FISCAL COMMISSION ACT 2016

EXPLANATORY NOTES

OVERVIEW OF THE ACT

Functions

Section 4 – Review of forecasting accuracy

- 11. Section 4 requires the Commission to produce a self-evaluation report on the accuracy of its previous forecasts for each financial year. It will be important for the Commission to self-evaluate their work on a regular basis, building on, and learning from, their previous experiences in order that the forecasts that underpin the Scottish budget get more robust with time.
- 12. It is expected that the reports therefore will look at methodologies, assumptions, risks and projections used by the Commission in light of actual outturn.
- 13. These reports are to be published outside the budgetary cycle at a time determined by the Commission, and are subject to a requirement that they be laid before Parliament as soon as reasonably practicable after it is prepared.
