PART 5

LOCAL CARER STRATEGIES

32 Preparation of local carer strategy

In preparing a local carer strategy, the local authority and the relevant health board must have regard among other things to—

- (a) any plans for the provision of services relevant to young carers which are set out in the children's services plan prepared for the area of the local authority under section 8 of the 2014 Act,
- (b) the aims set out in section 9(2) of the 2014 Act,
- (c) the criteria for assessing the wellbeing of children and young people set out in section 96 of the 2014 Act,
- (d) any national health and wellbeing outcomes prescribed under section 5 of the Public Bodies (Joint Working) (Scotland) Act 2014,
- (e) any arrangements for the carrying out of integration functions relevant to carers which are set out in the strategic plan prepared for the area of the local authority under section 29 of the Public Bodies (Joint Working) (Scotland) Act 2014,
- (f) any other local or national plans relating to the provision of social work services and health services as the authority and relevant health board consider appropriate.
