#### **Part 6: General Provision**

##### ***Section 24 – Regulations***

49. Section 24(1) allows regulations to include ancillary provision and make different provision for different purposes. Subsections (2) to (4) also make provision about the parliamentary procedure which applies to different sets of regulations. It should be noted that this section does not apply to group procedure rules under section 21 because they are in the form of an act of sederunt rather than regulations.
