COMMENTARY ON SECTIONS

Street trading

Section 8: Trading permitted in prescribed circumstances

19. This section allows the trading regulations to determine circumstances in which trading which would otherwise constitute a trading offence would be permitted. This could be by reference to the person who is trading, the nature or purpose of the trading or the application of any profits. For example, the regulations could exempt certain news vendors, milk deliveries, or charitable sales from being required to seek authorisation reflecting the fact that certain trading activities do not require a street trading licence under other enactments.
