 - (b) the entry as made or altered relates to newly built lands and heritages or improved lands and heritages.
- (2) The assessor must include a mark in the entry to show that it relates to newly built lands and heritages or (as the case may be) improved lands and heritages.

 - (i) were shown in any entry in the valuation roll or valuation list for the day immediately prior to the day on which the entry or (as the case may be) alteration takes effect, or

 - (b) none of which is attributable to—
 - (i) the combination, division or reorganisation of lands and heritages which were shown, in whole or in part, in different entries in the valuation roll for the day immediately prior to the day on which the alteration takes effect, or
 - (ii) a change in the way the lands and heritages are being used.
- (6) A mark included in an entry in the valuation roll under subsection (2) must be removed from the entry on the next occasion when the entry is altered by an assessor.
- (7) The Scottish Ministers may by regulations—
- (a) make provision about things that are, or are not, to be treated as a “building” for the purposes of this section,
 - (b) modify the definition of “relevant increase” in subsection (5).
- (8) Before—
- (a) making regulations under subsection (7)(a), or
 - (b) laying a draft of a Scottish statutory instrument containing regulations under subsection (7)(b) before the Scottish Parliament,
- the Scottish Ministers must consult such persons as they consider appropriate.
- (9) Regulations under subsection (7)—
