PART 2

EDUCATION

CHAPTER 1

EDUCATIONAL ESTABLISHMENTS ETC.

17 Report on public schools' readiness for remote learning

- (1) The Scottish Ministers must report on—
 - (a) how ready education authorities are for the provision of education in public schools by remote learning, and
 - (b) any specific steps that have been taken by education authorities and the Scottish Ministers to improve readiness for the provision of education in public schools by remote learning.
- (2) The Scottish Ministers must publish the report —
 - (a) in the case of the first report, as soon as practicable after 31 July 2023,
 - (b) in each other case, from time to time as the Scottish Ministers consider appropriate.
- (3) For the purposes of subsection (1), the provision of education does not include the provision of early learning and childcare.
