#### **Part 5 - Transactions involving transfers from a partnership**

287. **Part 5** provides that where an interest in land is transferred from a partnership to a partner or former partner (or someone connected with such a person), this is a chargeable transaction. It defines those situations where there is a transfer of an interest in land out of a partnership and provides that the chargeable consideration is a proportion of the market value transferred. Like under Part 4, that proportion is a function of the ownership share in the transferred interest in land held by the recipient partner(s) (etc.), and the partnership share of that/those person(s) or persons connected to them held immediately before the transfer (paragraphs 21 and 22). Again, this takes account of the extent to which the partner or former partner already owned a proportion of the interest transferred to them.
