- (3) In this Part, a “public body” means a person listed as a “public body” in section 6(1) of the WFGA 2015, but for the purposes of sections 16 and 18 it does not include the Welsh Ministers.

- (4) The Welsh Ministers must consult with the SPC before publishing the guidance referred to in subsection (3).

## **17 Social partnership duty: Welsh Ministers**

When making decisions of a strategic nature about the reasonable steps the Welsh Ministers take (in the exercise of their functions) under section 3(2)(b) of the WFGA 2015 (to meet the objectives set under section 3(2)(a) of the WFGA 2015), the Welsh Ministers must consult with the SPC.

## **PART 3**

### **SOCIALLY RESPONSIBLE PUBLIC PROCUREMENT**

#### **CHAPTER 1**

#### **INTRODUCTION**

##### *Key concepts*

#### **21 Public contracts**

- (1) In this Part, a “public contract” means a contract between one or more economic operators and one or more contracting authorities; and having as its object the execution of works, the supply of products or the provision of services.
- (2) For the purposes of this Part, a framework agreement is treated as a public contract (and references to “public contract” are to be construed accordingly).

#### **22 Contracting authorities**

- (1) In this Part, a “contracting authority” means a body, office-holder or other person listed in Schedule 1.
- (2) But the Welsh Ministers are not a contracting authority for the purposes of sections 29, 30, 35, 36 and 41.
- (3) In this Part, a contracting authority’s area is the area by reference to which the authority primarily exercises its functions, disregarding any areas outside Wales.
- (4) The Welsh Ministers may by regulations amend this section, and Schedule 1, so as to modify the meaning of a contracting authority.

#### **23 Public procurement**

For the purposes of this Part, references to “public procurement” are to a contracting authority—

- (a) designing and carrying out any procedure preceding the award of a public contract including, in particular, seeking bids and selecting economic operators;
  - (b) drafting, negotiating and awarding a public contract;
  - (c) managing a public contract after it has been awarded;
- and references to “procurement” are to be construed accordingly.

## CHAPTER 2

### SOCIALLY RESPONSIBLE PROCUREMENT DUTY

#### *The socially responsible procurement duty*

#### **24 Socially responsible procurement duty**

- (1) A contracting authority must seek to improve the economic, social, environmental and cultural well-being of its area by carrying out public procurement in a socially responsible way.
- (2) A contracting authority carries out public procurement in a socially responsible way by taking action, in accordance with the sustainable development principle, aimed at contributing to the achievement of the well-being goals listed in section 4 of the WFGA 2015 (referred to for the purposes of this Part as the “well-being goals”).
- (3) A contracting authority must set and publish objectives (“socially responsible procurement objectives”) designed to maximise its contribution to achieving the well-being goals.
- (4) Schedule 2 makes provision about revising and reviewing socially responsible procurement objectives.
- (5) In taking action aimed at contributing to the achievement of the well-being goals, a contracting authority must—
  - (a) take all reasonable steps to meet its socially responsible procurement objectives when it carries out public procurement in relation to any prescribed contract;
  - (b) take the particular actions referred to in section 25 when it carries out public procurement in relation to a major construction contract;
  - (c) take the particular actions referred to in section 26 when it carries out public procurement in relation to an outsourcing services contract.
- (6) Despite subsection (1), a contracting authority must not include provisions in a prescribed contract that—
  - (a) are not proportionate (taking into account the estimated value of the contract);
  - (b) would conflict with any other enactment or rule of law relating to public procurement.
- (7) For the purposes of subsection (2), “the sustainable development principle” has the meaning given by section 5 of the WFGA 2015.
- (8) In this Part, a “prescribed contract” means—
  - (a) a major construction contract (see section 25),
  - (b) an outsourcing services contract (see section 26), and
  - (c) any other public contract of a description prescribed by the Welsh Ministers by regulations.

#### **25 Socially responsible procurement duty: major construction contracts**

- (1) The particular actions mentioned in section 24(5)(b) are—

---

*Status: This is the original version (as it was originally enacted).*

---

- (a) having regard to model social public works clauses published by the Welsh Ministers under section 27;
  - (b) in designing and carrying out procedures preceding the award of the major construction contract, considering whether the contract should include social public works clauses;
  - (c) in negotiating and awarding the contract, taking all reasonable steps—
    - (i) to include any social public works clauses it considers should be included;
    - (ii) to ensure that clauses included in the contract can be implemented;
  - (d) in managing the contract, taking all reasonable steps to ensure that any social public works clauses included in the contract are implemented;
- (see sections 27 to 31 for further provision about the meaning of “social public works clauses” and their application to major construction contracts).
- (2) In this Part, a “major construction contract” is a public contract with an estimated value equal to or greater than £2,000,000, which is—
- (a) a public works contract,
  - (b) a works contract, or
  - (c) a works concession contract.
- (3) The Welsh Ministers may by regulations amend this section to modify the meaning of a major construction contract.

## **26 Socially responsible procurement duty: outsourcing services contracts**

- (1) The particular actions mentioned in section 24(5)(c) are—
- (a) having regard to the public services outsourcing and workforce code published by the Welsh Ministers under section 32;
  - (b) in designing and carrying out procedures preceding the award of the outsourcing services contract, considering whether the contract should include social public workforce clauses;
  - (c) in negotiating and awarding the contract, taking all reasonable steps—
    - (i) to include any social public workforce clauses it considers should be included;
    - (ii) to ensure that clauses included in the contract can be implemented;
  - (d) in managing the contract, taking all reasonable steps to ensure that any social public workforce clauses included in the contract are implemented;
- (see sections 32 to 37 for further provision about the public services outsourcing and workforce code, the meaning of “social public workforce clauses” and their application to outsourcing services contracts).
- (2) In this Part, “an outsourcing services contract” means a contract under which—
- (a) a requirement to provide a public service provided by, or previously provided by, a contracting authority is transferred to another person, or
  - (b) another person agrees to undertake any other function undertaken by, or previously undertaken by, a contracting authority;
- and “outsourced” is to be construed accordingly.

*Status: This is the original version (as it was originally enacted).*

### *Social public works clauses*

#### **27 Social public works clauses in major construction contracts**

(1) The Welsh Ministers must publish model clauses for major construction contracts (“social public works clauses”) designed to bring about the improvements to economic, social, environmental and cultural well-being listed under each category in the Table in subsection (2).

(2) The categories and improvements are—

TABLE 1

<b>Category</b>	<b>Improvements</b>

Compliance	Ensuring compliance with legal obligations in relation to employment rights (including the minimum and living wage), health and safety, and trade union representation.
Training	Providing appropriate training for workers.

(3) A reference in this Part to a contracting authority including social public works clauses in major construction contracts—

- (a) is a reference to all of the model contract clauses published in respect of each of the improvements under the categories in subsection (2), and
- (b) means incorporating clauses that have the same or substantially the same effect as the published model contract clauses.

(4) The Welsh Ministers may by regulations amend subsection (2)—

- (a) to add a category, and improvements under that category, to the Table;
- (b) to remove a category, and improvements under that category, from the Table;
