

# Water Industry (Scotland) Act 2002

## 2002 asp 3

### PART 3

#### SCOTTISH WATER

##### *General duties*

#### **51 Sustainable development**

- (1) Scottish Water must, in exercising its functions, act in the way best calculated to contribute to the achievement of sustainable development.
- (2) Subsection (1) applies so far as is consistent with the purposes of any enactment relating to the functions of Scottish Water.
- (3) In complying with subsection (1) Scottish Water must have regard to any guidance for the time being issued by the Scottish Ministers.
