PART 1

ACCESS RIGHTS

CHAPTER 1

NATURE AND EXTENT OF ACCESS RIGHTS

1 Access rights

- (1) Everyone has the statutory rights established by this Part of this Act.
- (2) Those rights (in this Part of this Act called “access rights”) are—
 - (a) the right to be, for any of the purposes set out in subsection (3) below, on land; and
 - (b) the right to cross land.
- (3) The right set out in subsection (2)(a) above may be exercised only—
 - (a) for recreational purposes;
 - (b) for the purposes of carrying on a relevant educational activity; or
 - (c) for the purposes of carrying on, commercially or for profit, an activity which the person exercising the right could carry on otherwise than commercially or for profit.
- (4) The reference—
 - (a) in subsection (2)(a) above to being on land for any of the purposes set out in subsection (3) above is a reference to—

- (i) going into, passing over and remaining on it for any of those purposes and then leaving it; or
- (ii) any combination of those;

 - (a) furthering the person’s understanding of natural or cultural heritage; or
 - (b) enabling or assisting other persons to further their understanding of natural or cultural heritage.
- (6) Access rights are exercisable above and below (as well as on) the surface of the land.

2 Access rights to be exercised responsibly

- (1) A person has access rights only if they are exercised responsibly.
- (2) In determining whether access rights are exercised responsibly a person is to be presumed to be exercising access rights responsibly if they are exercised so as not to cause unreasonable interference with any of the rights (whether access rights, rights associated with the ownership of land or any others) of any other person, but—
 - (a) a person purporting to exercise access rights who, at the same time—
 - (i) engages in any of the conduct within section 9 below or within any byelaw made under section 12(1)(a)(i) below; or
 - (ii) does anything which undoes anything done by Scottish Natural Heritage under section 29 below,

 - (ii) disregarding any request included or which might reasonably be implied in anything done by Scottish Natural Heritage under section 29 below.

Changes to legislation: There are currently no known outstanding effects for the Land Reform (Scotland) Act 2003. (See end of Document for details)

3 Reciprocal obligations of owners

- (1) It is the duty of every owner of land in respect of which access rights are exercisable—
 - (a) to use and manage the land; and
 - (b) otherwise to conduct the ownership of it,in a way which, as respects those rights, is responsible.
- (2) In determining whether the way in which land is used, managed or the ownership of it is conducted is responsible an owner is to be presumed to be using, managing and conducting the ownership of land in a way which is responsible if it does not cause unreasonable interference with the access rights of any person exercising or seeking to exercise them, but—
 - (a) an owner who contravenes section 14(1) or (3) or 23(2) of this Act or any byelaw made under section 12(1)(a)(ii) below is to be taken as not using, managing or conducting the ownership of the land in a responsible way;
 - (b) regard is to be had to whether any act or omission occurring in the use, management or conduct of the ownership of the land disregards the guidance on responsible conduct set out in the Access Code and incumbent on the owners of land.
- (3) In this section the references to the use, management and conduct of the ownership of land in a way which is responsible are references to the use, management and conduct of the ownership of it in a way which is lawful and reasonable and takes proper account of the interests of persons exercising or seeking to exercise access rights.

4 Modification of sections 9, 14 and 23

- (1) Ministers may by order modify, for the purposes of section 2 and 3 above, any of the provisions of sections 9, 14 and 23 below.
- (2) They may do so generally (that is to say in terms similar to those in sections 2 and 3 above as enacted) or by making provision which relates to particular areas, locations or classes of land or to particular access rights or particular activities which may take place in the exercise of access rights or to particular ways of using, managing or conducting the ownership of land or any combination of those.
- (3) Before doing so, they shall consult such persons whom they consider to have a particular interest in the effect of the proposed modification (or associations representing such persons) and such other persons as they think fit.

5 Access rights, reciprocal obligations and other rules and rights

- (1) The exercise of access rights does not of itself constitute trespass.
- (2) The extent of the duty of care owed by an occupier of land to another person present on the land is not, subject to section 22(4) below, affected by this Part of this Act or by its operation.
- (3) The existence or exercise of access rights does not diminish or displace any other rights (whether public or private) of entry, way, passage or access.
- (4) The existence or exercise of access rights does not diminish or displace any public rights under the guardianship of the Crown in relation to the foreshore.

Changes to legislation: There are currently no known outstanding effects for the Land Reform (Scotland) Act 2003. (See end of Document for details)

- (5) The exercise of access rights does not of itself amount to the exercise or possession of any right for the purpose of any enactment or rule of law relating to the circumstances in which a right of way or servitude or right of public navigation may be constituted.
- (6) Access rights do not constitute a public right of passage for the purposes of the definition of “road” in section 151(1) (interpretation) of the Roads (Scotland) Act 1984 (c. 54).
- (7) A person exercising access rights is to be regarded as being in a public place for the purposes of section 53 (obstruction by pedestrians) of the Civic Government (Scotland) Act 1982 (c. 45).

- (2) Where there is a standard security over an interest in any land to which the application relates the community body shall, at the same time as it applies, provide Ministers with notice, in the prescribed form, of that fact.
- (3) Where an applicant community body satisfies Ministers that the owner of the land in which a community interest is sought to be registered or, as the case may be, a creditor in a standard security over any part of that land is unknown or cannot be found, Ministers shall be relieved of their duties under subsections (5) to (10), and paragraphs (b) and (c) of subsection (17), below in so far as those duties relate to the owner or, as the case may be, creditor.
- (4) Ministers shall not be satisfied under subsection (3) above unless the community body has given public notice of the proposed application by—
 - (a) placing an advertisement, in two consecutive weeks, in a local newspaper circulating in the area where the land in which a community interest is sought [^{F52}to be registered] is situated; and
 - (b) [^{F53}(except in the case of a proposed application of the type mentioned in subsection (4B))] affixing a conspicuous notice in the prescribed form to a part of that land.
- [^{F54}(4A) Ministers are not to be satisfied under subsection (3) in relation to a proposed application of the type mentioned in subsection (4B) unless the applicant community body has given public notice of the proposed application by advertising it in such manner as may be prescribed.]

- (5) On receipt of an application, Ministers shall—
 - (a) send a copy of the application and the accompanying information to the owner of the land and to any creditor in a standard security over an interest in the land;
 - (b) invite the owner of the land to send them, so as to be received not later than 21 days after the sending of the invitation, views in writing on the application;
 - (c) where there is a standard security over an interest in any land to which the application relates, invite the creditor in the security—

 - (d) send a copy of the invitation under paragraph (b) above and a copy of any invitation under paragraph (c) above to the community body; and
 - (e) by notice sent to—
 - (i) the owner of the land; and
 - (ii) any creditor in a standard security over an interest in the land, prohibit the owner and any such creditor from taking, during the period beginning with the date on which the owner or, as the case may be, the creditor receives the notice and ending on the date on which Ministers determine whether an interest is to be registered, any action which, if the interest had been registered, would be prohibited under section 40(1) below.
- (6) The circumstances referred to in subsection (5)(c) above are that—
- (a) a calling-up notice has been served by the creditor under section 19 of the Conveyancing and Feudal Reform (Scotland) Act 1970 (c. 35) in relation to the land in which the community body is seeking to register an interest or any part of that land and that notice has not been complied with;
 - (b) a notice of default served by the creditor under section 21 of that Act in relation to that land or any part of that land has not been complied with and the person on whom the notice was served has not, within the period specified in section 22 of that Act, objected to the notice by way of application to the court;

- (13) More than one community interest may be registered in respect of the same land.
- (14) A community body may, subject to subsection (15) below, register an interest in more than one holding of land.
- (15) An application under subsection (1) above may relate to only one holding of land.
- (16) In subsections (14) and (15) above, a “holding” of land is land in the ownership of one person or in common or joint ownership.
- (17) Ministers shall, within 63 days of receiving an application under subsection (1) above, send notice of their decision whether or not the community interest is to be entered in the Register together with a statement of their reasons—
- (a) to the applicant community body;
 - (b) to the owner of the land; and
 - (c) where a creditor in a standard security has notified Ministers timeously in response to an invitation given under subsection (5)(c)(i) above, to the creditor.
- (18) A notice under subsection (17) above shall—
- (a) contain information about the effect of registration of a community interest or, as the case may be, of Ministers' decision that such an interest is not to be entered in the Register and about the rights of appeal under section 61 below; and
 - [^{F57}(aa) where the decision is that such an interest is to be entered in the Register, contain information about the duties imposed under section 44A,]
 - (b) be in the prescribed form.
- (19) Any failure to comply with the time limit specified in subsection (17) above [^{F58}, including that subsection as modified by section 39(2)(b) below,] does not affect the validity of anything done under this section.

39 Procedure for late applications

- [^{F71}(1) This section (other than subsections (4A) and (5)) applies in relation to an application to register a community interest in land which satisfies—
- (a) the conditions mentioned in subsection (1A), or
 - (b) the condition mentioned in subsection (1B).
- (1A) The conditions are that—
- (a) before the date on which the application is received by Ministers, the owner of the land or, as the case may be, a creditor in a standard security with a

right to sell the land has taken action which, if a community interest had been registered, would be prohibited under section 40(1), and

- (b) on the date on which the application is received by Ministers—
 - (i) missives for the sale and purchase of the land in pursuance of that action have not been concluded, or
 - (ii) an option to acquire the land in pursuance of that action has not been conferred.

(1B) The condition is that, where another community body has registered an interest in the land, the application is received by Ministers—

- (a) after the date on which the owner of the land or, as the case may be, a creditor in a standard security with a right to sell the land has, under section 48(1), notified that community body that a transfer is proposed, and
- (b) before Ministers have consented, under section 51(1), to a transfer to that community body.]

(2) Where this section applies in relation to an application—

- (a) the owner of the land or, as the case may be, such a creditor shall, on receipt of an invitation under section 37 above, inform Ministers that this section applies; and
- [^{F72}(aa) Ministers may, before the end of the period of 7 days following receipt of the views of the owner of the land or, as the case may be, such a creditor under that section, request—
 - (i) the owner, such a creditor or the community body making the application to provide such further information as they consider necessary in connection with their being informed as mentioned in paragraph (a), and
 - (ii) that the further information be supplied within 14 days of the request,]
- (b) the procedure for registering community interests in land set out in section 37 above is, for the purposes of the application, subject to the following modifications—
 - (i) paragraph (b) of subsection (9) does not apply; and
 - (ii) in subsection (17), for “63” there is substituted “30” [^{F73}or (in a case where further information is requested under paragraph (aa)) “44”].

(3) Where this section applies in relation to an application, Ministers shall not decide that a community interest is to be entered in the Register unless they are (additionally to the matters as to which they are to be satisfied under section 38 above) satisfied—

- [^{F74}(a) that—
 - (i) such relevant work as Ministers consider reasonable was carried out by a person, or
 - (ii) such relevant steps as Ministers consider reasonable were taken by a person,
- (aa) that the relevant work was carried out or the relevant steps were taken—
 - (i) at a time which, in the opinion of Ministers, was sufficiently in advance of the owner of the land or, as the case may be, the creditor taking the action such as is mentioned in subsection (1A), or giving notice such as is mentioned in subsection (1B),
 - (ii) in respect of land with a view to the land being used for purposes that are the same as those proposed for the land in relation to which the application relates, and

Changes to legislation: There are currently no known outstanding effects for the Land Reform (Scotland) Act 2003. (See end of Document for details)

- (iii) by the community body making the application or by another person with a view to the application being made by the community body,
- (ab) that—
- (i) in the period of 12 months before the application is received by Ministers, the owner of the land or, as the case may be, the creditor taking the action such as is mentioned in subsection (1A) did not make an offer to sell the land to the community body or a similar community body, or
 - (ii) in that 12 month period, the owner of the land or, as the case may be, the creditor did make an offer to sell the land to the community body or a similar community body and, in the opinion of Ministers, there are good reasons why the body did not purchase the land.]
- (b) that the level of support within the community for such registration is significantly greater than that which Ministers would, by virtue of subsection (2) of that section, have considered sufficient for the purposes of subsection (1)(d) of that section had the application been received before that action was taken or, as the case may be, the notice was given; and
- (c) that the factors bearing on whether it is or is not in the public interest that the community interest be registered are strongly indicative that it is.

[^{F75}(3A) Despite subsection (3), Ministers may decide that a community interest is to be entered in the Register even though the conditions in paragraphs (a) and (aa) of that subsection are not satisfied in relation to the interest, if Ministers are satisfied that there are good reasons—

- (a) why the conditions are not satisfied, and
- (b) for allowing the interest to be entered in the Register.

(3B) Ministers may, before the end of the period of 7 days following receipt under section 37(5) of the views of the owner of the land or, as the case may be, a creditor in a standard security with a right to sell the land, request—

- (a) any person they believe may be able to provide them with such further information as they consider necessary in connection with the matters mentioned in subsection (3) to provide the information, and
- (b) that the information be supplied within 14 days of the request.]

(4) Where a community interest in land is registered in pursuance of an application in relation to which this section applies—

- (a) the owner of the land is, for the purposes of this Part of this Act (other than section 59(4)), deemed to have, on the date on which that interest is so registered, given notice under section 48(1) below that a transfer is proposed;
- (b) section 49 below does not apply in so far as it relates to that interest; and
- (c) for the purposes of sections 55(2) and (4), 56(3), 59(1)[^{F76}, 60A(1)] and 65(1)
 - (a) below, the community body is deemed to have sent the confirmation which Ministers would, had section 49 below applied, have required to seek under subsection (2)(a) of that section on the date on which the interest is registered.

[^{F77}(4A) Subsection (5) applies in relation to an application to register a community interest in land where the application is received by Ministers after the following have occurred—

- (a) the owner of the land or, as the case may be, a creditor in a standard security with a right to sell the land has taken action which, if a community interest in land had been registered, would be prohibited under section 40(1), and

(b) either—

- (i) missives for the sale and purchase of the land are concluded, or
- (ii) an option to acquire the land is conferred.]

(5) ^{F78}... Ministers—

- (a) shall decline to consider the application; and
- (b) shall be relieved of their duties under subsections (5) to (10), and paragraphs (b) and (c) of subsection (17), of section 37 above in relation to that application.

[^{F79}(6) In subsection (3)—

“ relevant work ” means anything done by way of preparation of an application to register a community interest in land,

“ relevant steps ” means any steps towards securing ownership of land by a community body.

(7) In subsection (3)(ab)—

CHAPTER 5

VALUATION OF LAND

59 Assessment of value of land

- (1) Ministers shall, within 7 days of the receipt of a confirmation, sought by them under section 49(2)(a) above, that a community body will exercise its right to buy the land, appoint a valuer, being a person who appears to Ministers to be suitably qualified, independent and to have knowledge and experience of valuing land of a kind which is similar to the land being bought, to assess the value of the land.
- (2) The validity of anything done under this section is not affected by any failure by Ministers to comply with the time limit specified in subsection (1) above.
- (3) In assessing the value of land in pursuance of an appointment under subsection (1) above, a valuer—
 - (a) does not act on behalf of the owner of the land or the community body which is exercising its right to buy the land; and
 - (b) shall act as an expert and not as an arbiter.
- (4) The value to be assessed is the market value of the land—
 - (a) as at the date of notification under section 48(1) above which gave rise to the right to buy the land; or
 - (b) in a case where the community body's interest was registered in pursuance of an application to which section 39 above applied, as at the date of Ministers' receipt of that application.
- (5) Where the land the value of which is to be assessed includes salmon fishings or mineral rights, the value of those fishings or rights shall be separately assessed.
- (6) The “market value” of land, for the purposes of subsection (4) above, is the aggregate of—
 - (a) the value it would have on the open market as between a seller and a buyer both of whom are, as respects the transaction, willing; and
 - (b) where a community body is exercising a right to buy which has arisen in relation to part only of the land in respect of which the owner has given notice under section 48(1) above that a transfer is proposed, the amount of any diminution in the value of the other part of that land which is attributable to the fact that part only of the land is being bought by the body.
- (7) In assessing, for those purposes, the value which land would have in the circumstances mentioned in subsection (6)(a) above—
 - (a) account may be taken, insofar as a seller and a buyer of the land such as are mentioned in subsection (6) above would do so, of any factor attributable to the known existence of a person who (not being the community body which is exercising its right to buy the land) would be willing to buy the land at a price higher than other persons because of a characteristic of the land which relates peculiarly to that person's interest in buying it;
 - (b) no account shall be taken of—
 - (i) the registration of an interest in or the exercise of a right to buy the land by a community body under this Part of this Act;

Changes to legislation: There are currently no known outstanding effects for the Land Reform (Scotland) Act 2003. (See end of Document for details)

- (ii) the absence of the period of time during which the land would, on the open market, be likely to be advertised and exposed for sale;
 - (iii) any depreciation in the value of any other land owned by the seller;
 - (iv) the expenses of the valuation or otherwise related to the sale and purchase of the land.
- (8) Where the proposed transfer which gave rise to a community body's right to buy land was conditional upon moveable property belonging to the owner of the land and used in connection with it being sold with the land, the appointment of the valuer shall be extended to include the valuation of that moveable property.
- (9) In any case where that appointment is so extended the moveable property shall be valued separately from the land, individual items of moveable property shall be valued separately from each other and the provisions of this section relating to the assessment of the value of land shall, so far as appropriate, apply for the purposes of the valuation of the moveable property.
- (10) The expense of a valuation under this section shall be met by Ministers.

60 Procedure for valuation

- (1) In carrying out a valuation under section 59 above, the valuer shall invite the owner of the land and the community body which is exercising its right to buy the land to make written representations about the value of the land and any moveable property being bought with the land and shall consider any representations made accordingly.
- [^{F119}(1A) Where written representations under subsection (1) are received—
 - (a) from the owner of the land, the valuer must invite the community body which is exercising its right to buy the land to send its views on the representations in writing,
 - (b) from the community body which is exercising its right to buy the land, the valuer must invite the owner of the land to send the owner's views on the representations in writing.
- (1B) In carrying out a valuation under section 59, the valuer must consider any views sent under subsection (1A).]
- (2) The valuer shall, within the period set out in subsection (3) below, notify Ministers, the owner of the land and the community body which is exercising its right to buy the land of the assessed value of the land and of any moveable property which has been valued.
- (3) The period referred to in subsection (2) above is the period of [^{F120}8] weeks beginning with the date of appointment of the valuer or such other longer period as Ministers may, on an application by the valuer, fix.
- [^{F121}(3A) An application under subsection (3) must be made within the period of 21 days beginning with the date of appointment of the valuer.
- (3B) Any longer period as mentioned in that subsection must be fixed under that subsection within the period of 7 days beginning with the day on which the application was received.
- (3C) Where such a longer period is fixed, Ministers must notify the persons mentioned in subsection (3D) of—
 - (a) the fact that a longer period has been so fixed,

Changes to legislation: There are currently no known outstanding effects for the Land Reform (Scotland) Act 2003. (See end of Document for details)

- (b) the length of the period, and
 - (c) the date on which the period ends.
- (3D) The persons are—
- (a) the community body which is exercising its right to buy the land,
 - (b) the person appointed to conduct the ballot in relation to the land, and
 - (c) the owner of the land.]
- (4) The validity of anything done under this Part of this Act is not affected by any failure by a valuer to comply with the time limit specified in subsection (3) above.

CHAPTER 3

VALUATION OF CROFT LAND

88 Assessment of value of croft land etc.

- (1) Where Ministers consent to an application under section 73 above, they shall, subject to subsection (2) below, within 7 days of doing so appoint a valuer, being a person who appears to Ministers to be suitably qualified, independent and to have knowledge and experience of valuing land or [^{F231}interests of a kind which is similar to the land, tenant's interest] or sporting interests being bought, to assess the value of the land [^{F232}, tenant's interest] or sporting interests to which the application relates.
- (2) Where Ministers refer a question to the Land Court under section 83(2) above they shall delay appointing the valuer until a day which is within 7 days of the day on which the Land Court makes its determination in respect of that reference.
- (3) The validity of anything done under this section is not affected by any failure by Ministers to comply with the time limit specified in subsection (1) above.
- (4) In assessing the value of land [^{F233}, the interest of a tenant over land] or interests in pursuance of an appointment under subsection (1) above, a valuer—
 - (a) does not act on behalf of the owner of the land [^{F234}, of the tenant, of the person entitled to the sporting interests or of the crofting community body which is exercising its right to buy the land, tenant's interest or sporting] interests under this Part of this Act; and
 - (b) shall act as an expert and not as an arbiter.
- (5) The value to be assessed is the market value of the land [^{F235}, tenant's interest or sporting] interests as at the date when Ministers consented to the application under section 73 relating to the land [^{F236}, interest] or interests.
- (6) The “market value” of land or interests is the aggregate of—
 - (a) the value it [^{F237}, a tenant's interest or sporting] they would have on the open market as between a seller and a buyer both of whom are, as respects the transaction, willing;
 - (b) any depreciation in the value of other land or interests belonging to the seller which may result from the transfer of land [^{F238}, a tenant's interest or sporting interests, including (in the case of land or sporting interests)] depreciation caused by division of the land or interests by the transfer of land or interests to the crofting community body; and
 - (c) the amount attributable to any disturbance to the seller which may arise in connection with the transfer of the land [^{F239}, tenant's interest or sporting] interests to the crofting community body.
- (7) In arriving, for the purposes of this section, at the value which land [^{F240}, a tenant's interest or sporting] interests would have on the open market in the circumstances mentioned in subsection (6)(a) above—
 - (a) account may be taken, in so far as a seller and buyer such as are mentioned in subsection (6) above would do so, of any factor attributable to the known existence of a person who (not being the crofting community body which is exercising its right to buy the land or interests) would be willing to buy the land [^{F241}, a tenant's interest or sporting] interests at a price higher than others would because of a characteristic of the land [^{F242}, a tenant's interest or

*Changes to legislation: There are currently no known outstanding effects
 for the Land Reform (Scotland) Act 2003. (See end of Document for details)*

sporting] interests which relates peculiarly to that person's interest in buying it;

- (b) no account shall be taken of—
 - (i) any depreciation of the type mentioned in subsection (6)(b) above;
 - (ii) any disturbance of the type mentioned in subsection (6)(c) above;
 - (iii) the absence of the period of time during which the land [^{F243}, a tenant's interest or sporting] interests would, on the open market, be likely to be advertised and exposed for sale.

(8) The expense of a valuation under this section shall be met by Ministers.

(9) In carrying out a valuation under this section, the valuer shall invite the owner of the land or [^{F244}as the case may be the tenant, or the person entitled to the sporting] interests and the crofting community body which is exercising its right to buy the land [^{F245}, tenant's interest or sporting] interests to make representations in writing about the value of the land [^{F246}, interest] or interests and shall consider any representations made accordingly.

[^{F247}(9A) Where written representations under subsection (9) are received—

- (a) from the owner of the land, the tenant or the person entitled to the sporting interests, the valuer must invite the crofting community body which is exercising its right to buy the land, tenant's interest or sporting interests to send its views on the representations in writing,
- (b) from the crofting community body which is exercising its right to buy the land, tenant's interest or sporting interests, the valuer must invite the owner of the land, the tenant or the person entitled to the sporting interests to send the views of the owner, tenant or (as the case may be) person on the representations in writing.

(9B) In carrying out a valuation under this section, the valuer must consider any views sent under subsection (9A).]

(10) Where the crofting community body and the owner of the land or [^{F248}as the case may be the tenant, or the person entitled to the sporting] interests have agreed the valuation of the land [^{F249}the tenant's interest or the sporting] interests they shall notify the valuer in writing of that valuation.

(11) Where sporting interests in land which the body are seeking to buy are to be leased back to the owner of the land, the valuer shall, in assessing the value of those interests, take account of the terms and conditions of the lease which has been agreed between the owner and the body or, as the case may be, determined by the Land Court under section 83 above.

[^{F250}(12) The valuer shall, within the period set out in subsection (13) below, notify Ministers, the crofting community body and as the case may be the owner of the land, the tenant or the person entitled to the sporting interests, of the assessed value of the land, tenant's interest or sporting interests; and if there is a determination under section 88A(1) below shall within that period notify the crofting community body and the tenant of the determination.]

(13) The period referred to in subsection (12) above is the period of [^{F251}8] weeks beginning with the date of appointment of the valuer or such longer period as Ministers may, on an application by the valuer, fix.

Changes to legislation: There are currently no known outstanding effects for the Land Reform (Scotland) Act 2003. (See end of Document for details)

- (14) The validity of anything done under this Part of this Act is not affected by any failure by a valuer to comply with the time limit specified in subsection (13) above.

- (6) In arriving, for the purposes of this section, at the value which land would have on the open market in the circumstances mentioned in subsection (5)(a)—
 - (a) account may be taken, in so far as a seller and buyer such as are mentioned in subsection (5) would do so, of any factor attributable to the known existence of a person who (not being the Part 3A community body which is exercising its right to buy the land) would be willing to buy the land at a price higher than others would because of a characteristic of the land which relates peculiarly to that person's interest in buying it,
