CHAPTER 5

LOCAL AUTHORITY FUNCTIONS: ACCESS AND OTHER RIGHTS

13 Duty of local authority to uphold access rights

- (1) It is the duty of the local authority to assert, protect and keep open and free from obstruction or encroachment any route, waterway or other means by which access rights may reasonably be exercised.
- (2) A local authority is not required to do anything in pursuance of the duty imposed by subsection (1) above which would be inconsistent with the carrying on of any of the authority's other functions.
- (3) The local authority may, for the purposes set out in subsection (1) above, institute and defend legal proceedings and generally take such steps as they think expedient.

14 Prohibition signs, obstructions, dangerous impediments etc.

- (1) The owner of land in respect of which access rights are exercisable shall not, for the purpose or for the main purpose of preventing or deterring any person entitled to exercise these rights from doing so—
 - (a) put up any sign or notice;
 - (b) put up any fence or wall, or plant, grow or permit to grow any hedge, tree or other vegetation;
 - (c) position or leave at large any animal;
 - (d) carry out any agricultural or other operation on the land; or
 - (e) take, or fail to take, any other action.
- (2) Where the local authority consider that anything has been done in contravention of subsection (1) above they may, by written notice served on the owner of the land,

require that such remedial action as is specified in the notice be taken by the owner of the land within such reasonable time as is so specified.

- (3) If the owner fails to comply with such a notice, the local authority may—
- (a) remove the sign or notice; or, as the case may be,
 - (b) take the remedial action specified in the notice served under subsection (2) above,
- and, in either case, may recover from the owner such reasonable costs as they have incurred by acting under this subsection.
- (4) An owner on whom a notice has been so served may, by summary application made to the sheriff, appeal against it.
- (5) Rules of Court shall provide—
- (a) for public notice of the making of summary applications for the purposes of this section;
 - (b) for enabling persons interested in the exercise of access rights over the land to which a summary application relates, and persons or bodies representative of such persons, to be parties to the proceedings;
 - (c) for limiting the number of persons and bodies who may be such parties.

15 Measures for safety, protection, guidance and assistance

- (1) The local authority may take such steps (which may include the putting up and maintenance of notices and fences) as appear to them appropriate—
- (a) to warn the public of and protect the public from danger on any land in respect of which access rights are exercisable;
 - (b) to indicate or enclose, or to give directions to, any such land.
- (2) Where the local authority consider that a fence, wall or other erection is so constructed or adapted (whether by the use of barbed wire or other sharp material or by being electrified or otherwise) as to be likely to injure a person exercising access rights, they may by written notice served on the owner of the land on which it is placed, require the owner to take, within such reasonable time as is specified in the notice, such reasonable action as is so specified, being action calculated to remove the risk of injury.
- (3) Subsections (3)(b), (4) and (5) of section 14 above apply in respect of a notice served under subsection (2) above as they apply to a notice served under those subsections.
- (4) The local authority may install and maintain, in any land in respect of which access rights are exercisable, gates, stiles, moorings, launching sites or other means of facilitating the exercise of these rights, and seats, lavatories and other means of contributing to the comfort and convenience of persons exercising them.
- (5) The local authority may, in relation to inland waters in respect of which access rights are exercisable, provide staff for life saving and any boats or equipment which are appropriate for life saving.
- (6) In exercising their powers under this section, the local authority shall—
- (a) have regard to the extent to which there are existing facilities in their area for the purposes of assisting persons to exercise access rights; and
 - (b) have regard to the needs of persons with disabilities.

- (7) The local authority may carry out the operations authorised by subsections (4) and (5) above within the land over which the access rights are exercisable only with the consent of the owner.

16 Acquisition by local authority of land to enable or facilitate exercise of access rights

- (1) Where it appears to the local authority to be necessary or expedient for the purpose of enabling or facilitating the exercise of access rights in respect of any land to which this section applies that the land be acquired by them, the authority may—
- (a) acquire it by agreement (whether by purchase, feu, lease or excambion); or
 - (b) with the consent of Ministers, acquire it compulsorily.
- (2) The land to which this section applies is land other than—
- (a) land in respect of which access rights do not extend by virtue of section 6(1)(a)(ii), (d), (e) or (f) above;
 - (b) land which has been exempted by order made by the local authority under section 11(1) of this Act.
- (3) A local authority shall hold and manage any land acquired by them under this section so as best to facilitate the exercise of access rights.
- (4) The Acquisition of Land (Authorisation Procedure) (Scotland) Act 1947 (c. 42) shall apply in relation to a compulsory purchase under this section as if this section had been in force immediately before that Act.

17 Core paths plan

- (1) It is the duty of the local authority, not later than 3 years after the coming into force of this section, to draw up a plan for a system of paths (“core paths”) sufficient for the purpose of giving the public reasonable access throughout their area.
- (2) Such a system of paths may include—
- (a) rights of way by foot, horseback, pedal cycle or any combination of those, being rights which are or may be established by or under any enactment or rule of law;
 - (b) paths, footways, footpaths, cycle tracks or other means of access (however described but not falling within paragraph (a) above) which are or may be provided by or under any enactment other than this Act;
 - (c) paths which are or may be delineated by a path agreement under section 21 or a path order under section 22 below;
 - (d) other routes, waterways or other means by which persons may cross land.
- (3) In drawing up the plan, the local authority shall have regard to—
- (a) the likelihood that persons exercising rights of way and access rights will do so by using core paths;
 - (b) the desirability of encouraging such persons to use core paths; and
 - (c) the need to balance the exercise of those rights and the interests of the owner of the land in respect of which those rights are exercisable.
- (4) The plan may consist of or include maps showing core paths and, where it does not, shall refer to such maps.

18 Core paths plan: further procedure

- (1) The local authority shall—
 - (a) give public notice of the plan drawn up by them under section 17 above and any maps it refers to;
 - (b) make the plan and any such maps available thereafter for public inspection for a period of not less than 12 weeks; and
 - (c) consult—
 - (i) the local access forum for their area;

- (2) If no objections are made or any made are withdrawn, the local authority shall adopt the plan.
- (3) If an objection is made and not withdrawn, the local authority shall not adopt the plan unless Ministers direct them to do so.
- (4) Where an objection remains unwithdrawn, Ministers shall not make such a direction without first causing a local inquiry to be held into whether the plan will, if adopted, fulfil the purpose mentioned in section 17(1) above.
- (5) Ministers may, in any other case, cause such an inquiry to be held.
- (6) Subsections (2) to (13) of section 265 (local inquiries) of the Town and Country Planning (Scotland) Act 1997 (c. 8) apply to an inquiry held under subsection (4) or (5) above as they apply to one held under that section.
- (7) Following the publication of the report by the person appointed to hold the inquiry, Ministers may (but need not) direct the local authority to adopt the plan either as drawn up under section 17 above or with such modification as Ministers specify in the direction.
- (8) On adopting the plan, the local authority shall—
 - (a) give public notice of its adoption;
 - (b) compile a list of core paths;
 - (c) keep the plan, any maps it refers to and the list available for public inspection and for sale at a reasonable price; and
 - (d) send a copy of each of those documents to Ministers.
- (9) Where Ministers decline to make a direction under subsection (3) or (7) above, the local authority shall draw up a revised plan and shall do so in accordance with such procedure and within such time limits as Ministers specify.
- (10) Such specification shall include provision under which Ministers may (but need not) direct the local authority to confirm the revised plan.

 - (a) a core path should be removed from the plan; or
 - (b) the line of a core path, or part of that line, should be diverted,the authority may amend the plan by removing the core path from the plan or, as the case may be, by diverting the line of the core path on the plan.
- (3) The local authority may not amend the plan under subsection (2) above unless they are satisfied that it is expedient so to do having regard to—
 - (a) the extent to which it appears to them that persons would, but for the amendment, be likely to exercise access rights using the core path; and
 - (b) the effect which the amendment of the plan would have as respects land served by the core path.
- (4) Where the local authority stop up, or divert, a core path by order under section 208 of the Town and Country Planning (Scotland) Act 1997 (c. 8) they shall amend their plan accordingly.
- (5) Subsection (8) of section 18 above applies in relation to the amendment of a plan under subsection (2) or (4) above as it applies in relation to the adoption of a plan under that section.
- (6) Where, following a review of a plan under subsection (1) above, the local authority consider that the plan should be amended so as to include a further path, waterway or other means of crossing land such as is mentioned in section 17(2) above, the authority shall draw up an amended plan.
- (7) Sections 17(3) and (4) and 18 above apply in relation to a plan drawn up under subsection (6) above as they apply to a plan drawn up under section 17(1) above.

- (2) These circumstances are that it appears to the local authority to be impracticable to delineate the path by means of a path agreement.

- (9) In section 28 (interpretation) of the Land Registration (Scotland) Act 1979 (c. 33) in paragraph (g) of the definition of “overriding interest” (which paragraph provides that public rights of way etc. are overriding interests) there is inserted at the end “or in respect of the exercise of access rights within the meaning of the Land Reform (Scotland) Act 2003 (asp 2) by way of a path delineated in a path order made under section 22 of that Act”.
