- (a) the conditions mentioned in subsection (1A), or
 - (b) the condition mentioned in subsection (1B).
- (1A) The conditions are that—
- (a) before the date on which the application is received by Ministers, the owner of the land or, as the case may be, a creditor in a standard security with a

- right to sell the land has taken action which, if a community interest had been registered, would be prohibited under section 40(1), and
- (b) on the date on which the application is received by Ministers—
- (i) missives for the sale and purchase of the land in pursuance of that action have not been concluded, or
 - (ii) an option to acquire the land in pursuance of that action has not been conferred.
- (1B) The condition is that, where another community body has registered an interest in the land, the application is received by Ministers—
- (a) after the date on which the owner of the land or, as the case may be, a creditor in a standard security with a right to sell the land has, under section 48(1), notified that community body that a transfer is proposed, and
 - (b) before Ministers have consented, under section 51(1), to a transfer to that community body.]
- (2) Where this section applies in relation to an application—
- (a) the owner of the land or, as the case may be, such a creditor shall, on receipt of an invitation under section 37 above, inform Ministers that this section applies; and
 - [^{F56}(aa) Ministers may, before the end of the period of 7 days following receipt of the views of the owner of the land or, as the case may be, such a creditor under that section, request—
 - (i) the owner, such a creditor or the community body making the application to provide such further information as they consider necessary in connection with their being informed as mentioned in paragraph (a), and
 - (ii) that the further information be supplied within 14 days of the request.]
 - (b) the procedure for registering community interests in land set out in section 37 above is, for the purposes of the application, subject to the following modifications—
 - (i) paragraph (b) of subsection (9) does not apply; and
 - (ii) in subsection (17), for “63” there is substituted “30” [^{F57}or (in a case where further information is requested under paragraph (aa)) “44”].

(3) Where this section applies in relation to an application, Ministers shall not decide that a community interest is to be entered in the Register unless they are (additionally to the matters as to which they are to be satisfied under section 38 above) satisfied—

[^{F58}(a) that—

 - (i) such relevant work as Ministers consider reasonable was carried out by a person, or
 - (ii) such relevant steps as Ministers consider reasonable were taken by a person,

(aa) that the relevant work was carried out or the relevant steps were taken—

 - (i) at a time which, in the opinion of Ministers, was sufficiently in advance of the owner of the land or, as the case may be, the creditor taking the action such as is mentioned in subsection (1A), or giving notice such as is mentioned in subsection (1B),
 - (ii) in respect of land with a view to the land being used for purposes that are the same as those proposed for the land in relation to which the application relates, and

- (iii) by the community body making the application or by another person with a view to the application being made by the community body,
- (ab) that—
- (i) in the period of 12 months before the application is received by Ministers, the owner of the land or, as the case may be, the creditor taking the action such as is mentioned in subsection (1A) did not make an offer to sell the land to the community body or a similar community body, or
 - (ii) in that 12 month period, the owner of the land or, as the case may be, the creditor did make an offer to sell the land to the community body or a similar community body and, in the opinion of Ministers, there are good reasons why the body did not purchase the land,]
- (b) that the level of support within the community for such registration is significantly greater than that which Ministers would, by virtue of subsection (2) of that section, have considered sufficient for the purposes of subsection (1)(d) of that section had the application been received before that action was taken or, as the case may be, the notice was given; and
- (c) that the factors bearing on whether it is or is not in the public interest that the community interest be registered are strongly indicative that it is.
- [^{F59}(3A) Despite subsection (3), Ministers may decide that a community interest is to be entered in the Register even though the conditions in paragraphs (a) and (aa) of that subsection are not satisfied in relation to the interest, if Ministers are satisfied that there are good reasons—
- (a) why the conditions are not satisfied, and
 - (b) for allowing the interest to be entered in the Register.
- (3B) Ministers may, before the end of the period of 7 days following receipt under section 37(5) of the views of the owner of the land or, as the case may be, a creditor in a standard security with a right to sell the land, request—
- (a) any person they believe may be able to provide them with such further information as they consider necessary in connection with the matters mentioned in subsection (3) to provide the information, and
 - (b) that the information be supplied within 14 days of the request.]
- (4) Where a community interest in land is registered in pursuance of an application in relation to which this section applies—

 - (b) section 49 below does not apply in so far as it relates to that interest; and
 - (c) for the purposes of sections 55(2) and (4), 56(3), 59(1)[^{F60}, 60A(1)] and 65(1) (a) below, the community body is deemed to have sent the confirmation which Ministers would, had section 49 below applied, have required to seek under subsection (2)(a) of that section on the date on which the interest is registered.
- [^{F61}(4A) Subsection (5) applies in relation to an application to register a community interest in land where the application is received by Ministers after the following have occurred—
- (a) the owner of the land or, as the case may be, a creditor in a standard security with a right to sell the land has taken action which, if a community interest in land had been registered, would be prohibited under section 40(1), and

 - (b) references to “ an offer ” are references to an offer in writing (or that is confirmed in writing),
 - (c) a community body is, for the purposes of that subsection, similar to another community body if, in the opinion of Ministers, it is similar to the other body to a significant degree having regard to such matters as may be prescribed.

58 Procedure where right to buy activated by virtue of notice under section 50(3)

- (1) Where a right to buy land arises, and may be exercised, by virtue of Ministers sending notice under section 50(3) above, subsections (2) to (6) below apply in place of sections 56 and 57 above in relation to the exercise of that right.
- (2) It is for the community body to secure the expeditious exercise of such a right to buy and, in particular—
 - (a) to prepare the documents necessary to effect the transfer; and
 - (b) in so doing, to ensure that the land in respect of which the right to buy has arisen is the same as the land to be transferred.
- (3) The community body shall pay a price—
 - (a) equal to the value assessed by the appointed valuer; or
 - (b) determined by an appeal.
- (4) The owner of the land being bought is obliged—
 - (a) to make available to the community body such deeds and other documents as are sufficient to enable the body to proceed to complete its title to the land; and
 - (b) to transfer title accordingly.
- (5) If the owner of the land refuses or fails to make those deeds and other documents available or they cannot be found, the Lands Tribunal may, on the application of the community body, order the owner or any other person appearing to the Tribunal to have those deeds and documents to produce them.
- (6) If the owner of the land refuses or fails to effect such transfer as is mentioned in subsection (4) above, the Lands Tribunal may, on the application of the community body, authorise its principal clerk to adjust, execute and deliver such deeds or other documents as will complete such transfer to the like force and effect as if done by the owner.

CHAPTER 5

VALUATION OF LAND

59 Assessment of value of land

- (1) Ministers shall, within 7 days of the receipt of a confirmation, sought by them under section 49(2)(a) above, that a community body will exercise its right to buy the land, appoint a valuer, being a person who appears to Ministers to be suitably qualified, independent and to have knowledge and experience of valuing land of a kind which is similar to the land being bought, to assess the value of the land.
- (2) The validity of anything done under this section is not affected by any failure by Ministers to comply with the time limit specified in subsection (1) above.
- (3) In assessing the value of land in pursuance of an appointment under subsection (1) above, a valuer—
 - (a) does not act on behalf of the owner of the land or the community body which is exercising its right to buy the land; and
 - (b) shall act as an expert and not as an arbiter.
- (4) The value to be assessed is the market value of the land—
 - (a) as at the date of notification under section 48(1) above which gave rise to the right to buy the land; or
 - (b) in a case where the community body's interest was registered in pursuance of an application to which section 39 above applied, as at the date of Ministers' receipt of that application.
- (5) Where the land the value of which is to be assessed includes salmon fishings or mineral rights, the value of those fishings or rights shall be separately assessed.
- (6) The “market value” of land, for the purposes of subsection (4) above, is the aggregate of—
 - (a) the value it would have on the open market as between a seller and a buyer both of whom are, as respects the transaction, willing; and
 - (b) where a community body is exercising a right to buy which has arisen in relation to part only of the land in respect of which the owner has given notice under section 48(1) above that a transfer is proposed, the amount of any diminution in the value of the other part of that land which is attributable to the fact that part only of the land is being bought by the body.
- (7) In assessing, for those purposes, the value which land would have in the circumstances mentioned in subsection (6)(a) above—
 - (a) account may be taken, insofar as a seller and a buyer of the land such as are mentioned in subsection (6) above would do so, of any factor attributable to the known existence of a person who (not being the community body which is exercising its right to buy the land) would be willing to buy the land at a price higher than other persons because of a characteristic of the land which relates peculiarly to that person's interest in buying it;
 - (b) no account shall be taken of—
 - (i) the registration of an interest in or the exercise of a right to buy the land by a community body under this Part of this Act;

Status: Point in time view as at 15/04/2016.

Changes to legislation: There are currently no known outstanding effects for the Land Reform (Scotland) Act 2003, Part 2. (See end of Document for details)

- (ii) the absence of the period of time during which the land would, on the open market, be likely to be advertised and exposed for sale;
 - (iii) any depreciation in the value of any other land owned by the seller;
 - (iv) the expenses of the valuation or otherwise related to the sale and purchase of the land.
- (8) Where the proposed transfer which gave rise to a community body's right to buy land was conditional upon moveable property belonging to the owner of the land and used in connection with it being sold with the land, the appointment of the valuer shall be extended to include the valuation of that moveable property.
- (9) In any case where that appointment is so extended the moveable property shall be valued separately from the land, individual items of moveable property shall be valued separately from each other and the provisions of this section relating to the assessment of the value of land shall, so far as appropriate, apply for the purposes of the valuation of the moveable property.
- (10) The expense of a valuation under this section shall be met by Ministers.

60 Procedure for valuation

- (1) In carrying out a valuation under section 59 above, the valuer shall invite the owner of the land and the community body which is exercising its right to buy the land to make written representations about the value of the land and any moveable property being bought with the land and shall consider any representations made accordingly.
- [^{F102}(1A) Where written representations under subsection (1) are received—
- (a) from the owner of the land, the valuer must invite the community body which is exercising its right to buy the land to send its views on the representations in writing,
 - (b) from the community body which is exercising its right to buy the land, the valuer must invite the owner of the land to send the owner's views on the representations in writing.
- (1B) In carrying out a valuation under section 59, the valuer must consider any views sent under subsection (1A).]
- (2) The valuer shall, within the period set out in subsection (3) below, notify Ministers, the owner of the land and the community body which is exercising its right to buy the land of the assessed value of the land and of any moveable property which has been valued.
- (3) The period referred to in subsection (2) above is the period of [^{F103}8] weeks beginning with the date of appointment of the valuer or such other longer period as Ministers may, on an application by the valuer, fix.
- [^{F104}(3A) An application under subsection (3) must be made within the period of 21 days beginning with the date of appointment of the valuer.
- (3B) Any longer period as mentioned in that subsection must be fixed under that subsection within the period of 7 days beginning with the day on which the application was received.
- (3C) Where such a longer period is fixed, Ministers must notify the persons mentioned in subsection (3D) of—
- (a) the fact that a longer period has been so fixed,

Status: Point in time view as at 15/04/2016.

Changes to legislation: There are currently no known outstanding effects for the Land Reform (Scotland) Act 2003, Part 2. (See end of Document for details)

- (b) the length of the period, and
 - (c) the date on which the period ends.
- (3D) The persons are—
- (a) the community body which is exercising its right to buy the land,
 - (b) the person appointed to conduct the ballot in relation to the land, and
 - (c) the owner of the land.]
- (4) The validity of anything done under this Part of this Act is not affected by any failure by a valuer to comply with the time limit specified in subsection (3) above.
