Status: This is the original version (as it was originally enacted).

SCHEDULE 1 SCOTTISH PARLIAMENTARY PENSION SCHEME

PART F

PENSIONS

Amount of office-holder pension

- 39 (1) The annual office-holder pension payable to an individual is an amount equal to the total of the individual's office-holder pension entitlements.
 - (2) An individual obtains an office-holder pension entitlement in respect of each period for which he or she holds a pensionable office.
 - (3) The amount of an office-holder pension entitlement for such a period is calculated as follows—

office-holder's final salary in respect of period
$$\times (^{A}/_{50} + ^{B}/_{40})$$

where-

"A" is the individual's reckonable service as an office-holder accrued when holding the office concerned in respect of which the individual made lower rate scheme member contributions, and

"B" is the individual's reckonable service as an office-holder accrued when holding the office concerned during which the individual made higher rate scheme member contributions.

(4) Where an individual's annual office-holder pension (including any enhancement made by virtue of other scheme rules) exceeds the individual's annual office-holder pension cap, the annual office-holder pension payable to the individual is to be reduced to the individual's annual office-holder pension cap.

An individual's "annual office-holder pension cap" is—

- (a) two-thirds of the final salary amount used to calculate the individual's office-holder pension entitlement, or
- (b) where an individual has more than one such entitlement, two-thirds of the highest such final salary amount.
