- (5) Accruing resources authorised to be used by virtue of subsection (3) or (4) may be so used only through the part of the Scottish Administration through which they accrue.
- (6) The Parts of schedule 2 set out the types of accruing resources, purposes and overall amounts by reference to the parts of the Scottish Administration through which the resources accrue and may be used.
- (7) In this section, references to recoverable VAT are to value added tax in respect of which a claim for a refund may be made by the Scottish Administration under section 41(3) of the Value Added Tax Act 1994 (c. 23).

2 Direct-funded bodies

- (1) Resources other than accruing resources may, in financial year 2009/10, be used by the direct-funded bodies mentioned in column 1 of schedule 3 for the purposes specified in that column—

- (2) The sum may be paid out of the Fund only if its payment is authorised by the Scottish Ministers.

 - (b) it is not reasonably practicable, for reasons of urgency, to amend the overall cash authorisation by an order under section 7 of this Act.
- (4) But the Scottish Ministers must not authorise payment of the sum if it would result in an excess of sums paid out of the Fund over sums paid into the Fund.
- (5) The aggregate amount of the sums which the Scottish Ministers may authorise to be paid out of the Fund under this section must not exceed £50,000,000.
- (6) Where the Scottish Ministers authorise a payment under this section they must, as soon as possible, lay before the Scottish Parliament a report setting out the circumstances of the authorisation and why they considered it to be necessary.
