SECTION VI

DUE DILIGENCE FOR NEW ENTITY ACCOUNTS

The following procedures apply for purposes of identifying Reportable Accounts among New Entity Accounts.

Review Procedures for Identifying Entity Accounts With Respect to Which Reporting Is Required. For New Entity Accounts, a Reporting Financial Institution must apply the following review procedures to determine whether the account is held by one or more Reportable Persons, or by Passive NFEs with one or more Controlling Persons who are Reportable Persons:

1. Determine Whether the Entity Is a Reportable Person.
 - (a) Obtain a self-certification, which may be part of the account opening documentation, that allows the Reporting Financial Institution to determine the Account Holder's residence(s) for tax purposes and confirm the reasonableness of such self-certification based on the information obtained by the Reporting Financial Institution in connection with the opening of the account, including any documentation collected pursuant to AML/KYC Procedures. If the Entity certifies that it has no residence for tax purposes, the Reporting Financial Institution may rely on the address of the principal office of the Entity to determine the residence of the Account Holder.
 - (b) If the self-certification indicates that the Account Holder is resident in a Member State, the Reporting Financial Institution must treat the account as a Reportable Account, unless it reasonably determines based on information in its possession or that is publicly available that the Account Holder is not a Reportable Person with respect to such Member State.
2. Determine Whether the Entity is a Passive NFE with One or More Controlling Persons Who Are Reportable Persons. With respect to an Account Holder of a New Entity Account (including an Entity that is a Reportable Person), the Reporting Financial Institution must determine whether the Account Holder is a Passive NFE with one or more Controlling Persons who are Reportable Persons. If any of the Controlling Persons of a Passive NFE is a Reportable Person, then the account must be treated as a Reportable Account. In making these determinations the Reporting Financial Institution must follow the guidance in subparagraphs A(2)(a) through (c) in the order most appropriate under the circumstances.
 - (a) Determining whether the Account Holder is a Passive NFE. For purposes of determining whether the Account Holder is a Passive NFE, the Reporting Financial Institution must rely on a self-certification from the Account
