EXPLANATORY NOTES

COMMENTARY ON SECTIONS

Section 150 – Administrative requirements in reports

Section 151 – Publicity requirements in reports

172. Enable the IRP to require local authorities to put in place administrative systems to avoid the duplication of claims for payments and to keep records in relation to payments made to their members, and to stipulate in an annual report the publicity arrangements that should be put in place by authorities in relation to the payments made by an authority.
