“PART 6A

RESTRICTION OF RIGHTS OVER ROAD

Gating orders

69A.—(1) A district council may, with the approval of the Department, make an order under this Article in relation to any relevant road which is situated within its district.

(2) An order under this Article is to be known as a “gating order”.

(3) Before making a gating order in relation to a relevant road the district council must be satisfied that—

- (a) premises adjoining or adjacent to the road are affected by crime or anti-social behaviour;
- (b) the existence of the road is facilitating the persistent commission of criminal offences or anti-social behaviour; and
- (c) it is in all the circumstances expedient to make the order for the purposes of reducing crime or anti-social behaviour.

Status: Point in time view as at 01/04/2012.

Changes to legislation: There are currently no known outstanding effects for the Clean Neighbourhoods and Environment Act (Northern Ireland) 2011, PART 1. (See end of Document for details)

- (4) The circumstances referred to in paragraph (3)(c) include—
- (a) the likely effect of making the order on the occupiers of premises adjoining or adjacent to the road;
 - (b) the likely effect of making the order on other persons in the locality; and
 - (c) in a case where the road constitutes a through route, the availability of a reasonably convenient alternative route.
- (5) In this Article “relevant road” means a road other than—
- (a) a special road;
 - (b) a trunk road;
 - (c) a classified road;
 - (d) a road of such other description as the Department may by regulations prescribe.
- (6) For the purposes of this Part “anti-social behaviour” means behaviour by a person which causes or is likely to cause harassment, alarm or distress to one or more other persons not of the same household as that person.

Effect of gating orders

69B.—(1) A gating order restricts, to the extent specified in the order, the public right of way over the road to which it relates.

- (2) A gating order may in particular—
- (a) restrict the public right of way at all times, or in respect of such times, days or periods as may be specified in the order;
 - (b) exclude persons of a description specified in the order from the effect of the restriction.

(3) A gating order may not be made so as to restrict the public right of way over a road for the occupiers of premises adjoining or adjacent to the road.

(4) A gating order may not be made so as to restrict the public right of way over a road which is the only or principal means of access to any dwelling.

(5) In relation to a road which is the only or principal means of access to any premises used for business or recreational purposes, a gating order may not be made so as to restrict the public right of way over the road during periods when those premises are normally used for those purposes.

(6) A gating order may authorise the installation, operation and maintenance of a barrier or barriers for the purpose of enforcing the restriction provided for in the order.

Status: Point in time view as at 01/04/2012.

Changes to legislation: There are currently no known outstanding effects for the Clean Neighbourhoods and Environment Act (Northern Ireland) 2011, PART 1. (See end of Document for details)

(7) A district council may install, operate and maintain any barrier authorised under paragraph (6).

(8) A road in relation to which a gating order is made shall not cease to be regarded as a road by reason of the restriction of the public right of way under the order (or by reason of any barrier authorised under this Article).

(9) In paragraph (4) “dwelling” means any building or part of a building occupied, or intended to be occupied, as a separate dwelling.

Variation and revocation of gating orders

69C.—(1) A district council may, with the approval of the Department, by order vary a gating order made by the council so as further to restrict any public right of way over the road to which the order relates, if the council is satisfied that in all the circumstances it is expedient to do so for the purpose of reducing crime or anti-social behaviour.

(2) A district council may by order vary a gating order made by it so as to reduce the restriction imposed by the order, if and to the extent that it is satisfied that the restriction is no longer expedient in all the circumstances for the purpose of reducing crime or anti-social behaviour.

(3) A district council may by order revoke a gating order made by it, if it is satisfied that the restriction imposed by the order is no longer expedient in all the circumstances for the purpose of reducing crime or anti-social behaviour.

(10) Paragraphs (1) to (8) do not apply to an order under paragraph (9), but the council shall publish notice of the making of that order in one or more than one newspaper circulating in the area to which the order relates.
