Further provisions relating to overcrowded houses

81.—(1) If the condition of a house which, or a part of which, is in multiple occupation fails, in the opinion of the Executive, to meet one or more of the requirements set out in paragraph (2) of Article 80, having regard to the number of individuals or households, or both, accommodated for the time being on the premises, the notice which the Executive may serve under paragraph (1) of that Article may be a notice specifying the works which, in the opinion of the Executive, are required for rendering the premises reasonably suitable for occupation by a number of individuals or households smaller than the number accommodated on the premises.

(2) A notice served under Article 80 in pursuance of paragraph (1) shall specify the number of individuals or households, or both, which, in the opinion of the Executive, the premises could reasonably accommodate if the works specified in the notice were carried out.

(3) Where the Executive has, in pursuance of paragraphs (1) and (2), served a notice under Article 80 specifying the number of individuals or households, or both, which, in the opinion of the Executive, the premises could reasonably accommodate if the works specified in the notice were carried out, the Executive may adopt that number in fixing a limit under Article 85 as respects the house.
