(2) In paragraph (1) “information” means information obtained by D as the competent authority designated by regulation 5(1), as the competent authority designated by regulation 9(1) or as an enforcement authority.

(3) D may use information obtained by D as the competent authority designated by regulation 5(1), or as the competent authority designated by regulation 9(1), for the purpose of helping D perform D’s duties as an enforcement authority under these Regulations.

(4) D may use information obtained by D as an enforcement authority under these Regulations for the purpose of helping D perform D’s duties as the competent authority designated by regulation 5(1), or as the competent authority designated by regulation 9(1).

(6) In paragraph (5) “information” means information obtained by a district council as an enforcement authority.

Powers of entry

18.—(1) An authorised officer may enter any premises at any reasonable hour for the purpose of ensuring that the provisions of these Regulations are being complied with.

- (2) The authorised officer may take with them—
 - (a) such other persons as they consider necessary; and
 - (b) any representative of the European Commission.

(3) An authorised officer must not exercise the powers under paragraph (1) or (2) except on the production, if so required, of a duly authenticated document showing their authority.

(4) Admission to any premises used only as a private dwelling house must not be demanded as of right unless the entry is in accordance with a warrant granted under this regulation.

(5) If a lay magistrate, on sworn information in writing, is satisfied of the matters mentioned in paragraph (6), they may sign a warrant permitting an authorised officer to enter any premises, if needs be by reasonable force.

(6) The matters are that—

- (a) there are reasonable grounds for believing that Condition A or B is met, and
- (b) Condition C, D or E is met.

(7) Condition A is that on the premises there are items of the type mentioned in regulation 19(1)(a) or documents or records of the type mentioned in regulation 19(1)(e) and that their inspection is likely to disclose evidence of a contravention of, or failure to comply with, these Regulations.

(8) Condition B is that a contravention of, or failure to comply with, these Regulations has occurred, is occurring or is about to occur on those premises.

(9) Condition C is that admission to the premises has been, or is likely to be, refused, and that the occupier has been informed (whether orally or in writing) that a warrant may be applied for.

(10) Condition D is that admission to the premises has been, or is likely to be, refused, and informing the occupier that a warrant under this regulation may be applied for may defeat the object of the entry.

(11) Condition E is that the premises are unoccupied or that the occupier is temporarily absent and it may defeat the object of the entry to await their return.

(12) A warrant granted under paragraph (5)—

- (a) is valid for one month, beginning with the day it is granted; and
- (b) must be produced for inspection to the person (if there is one) who appears to the officer to be the occupier, or the person in charge, of the premises.

(13) An authorised officer who enters any premises that are unoccupied or where the occupier is temporarily absent must leave the premises as effectively secured against unauthorised entry as they found them.

 - (g) where a document or record mentioned in sub-paragraph (e) is kept by means of a computer, require the record to be produced in a form in which it may be taken away.
- (2) O may direct (“a regulation 19(2) direction”) a person (“P”) appearing to them to be in charge of the items or premises mentioned below that the following must be left undisturbed for as long as reasonably necessary for the purpose of any examination or investigation—

- (5) If an examination or investigation will not be carried out immediately after a direction has been given under paragraph (2), O may apply tape to the packs or other containers for eggs or eggs for hatching that are subject to that direction, or otherwise secure them pending the examination or investigation.
- (6) A person who knows that packs or other containers for eggs or eggs for hatching have been taped or otherwise secured by O (pursuant to paragraph (5)) is guilty of an offence if they interfere with any of those packs or containers unless authorised to do so, in writing, by O.
- (7) O may seize and detain any item of the type mentioned in paragraph (1)(a)(iii) to (vi) or document or record mentioned in paragraph (1)(e) that O has reason to believe may be required as evidence in proceedings under these Regulations.
- (8) O may seize as liable to destruction any item of the type mentioned in paragraph (1)(a)(iii) to (vi) that O reasonably believes contravenes any provision of these Regulations.
- (9) O may seize any computer equipment for the purpose of copying documents or records of the type mentioned in paragraph (1)(e), and for checking the data on, and operation of, any computer equipment that is, or has been, in use in connection with, those documents or records (and in doing so may recover data), provided it is returned as soon as practicable and, in any event, within 28 days, beginning with the day in which the equipment is seized.
- (10) If O is not able to remove an item or computer equipment seized under paragraph (7), (8) or (9) immediately, they may—
- (a) mark it in any way that they see fit; and

- (b) give the person (“P”) appearing to them to be in charge of the item or computer equipment a notice (“a regulation 19(10) notice”)—
 - (i) identifying it;
 - (ii) requiring the item or computer equipment to be left undisturbed until it is collected by O; and
 - (iii) prohibiting the removal of the item or computer equipment from the premises on which it was found until it is collected by O.

- (12) A person, other than O and P, who knows about a regulation 19(10) notice, is guilty of an offence if (although the notice was not given to them) they disturb or remove an item or computer equipment in contravention of the terms of the notice.
- (13) O must not exercise the powers under this regulation except on the production, if so required, of a duly authenticated document showing their authority.
- (14) In this regulation “premises” includes any place and any vehicle, trailer, stall or moveable structure.

Procedure on seizure

- 20.**—(1) An authorised officer (“O”) must follow the procedures set out in this regulation if they seize anything under regulation 19(7), (8) or (9).
- (2) O must give to the person appearing to O to be in charge of the premises from which the seized item or computer equipment is seized (“the premises”) a notice that must state—
- (a) what O has seized;
 - (b) when O seized it;
 - (c) the grounds for the seizure of the item or equipment; and
 - (d) the address to which, and the period during which, a claim may be made for the return of the item or equipment.
- (3) But where the premises are unoccupied, or no-one appears to O to be in charge of the premises, O must attach a notice to a conspicuous part of the premises, or to some conspicuous object on the premises, containing the information mentioned in sub-paragraphs (a) to (d) of paragraph (2).
- (4) A person having a proprietary interest in the seized item or computer equipment (including a creditor who has a debt secured on the item or computer equipment) may notify the enforcement authority of any claim that the seized item or equipment was not liable to seizure, setting out the grounds for the claim in full.
- (5) The claim must be made within 28 days of the seizure, beginning on the day on which the seized item or computer equipment is seized, to the address specified in the seizure notice.
- (6) If a notification of a claim is not received within 28 days in respect of an item seized under regulation 19(7), the enforcement authority may retain the seized item for as long as necessary while it is being held for the purpose of any criminal investigation or proceedings or for use as evidence at a trial.
- (7) If a notification of a claim is received within 28 days in respect of an item seized under regulation 19(7), the enforcement authority must—
- (a) return the seized item within 14 days, beginning with the day on which the claim is received; or
 - (b) retain the seized item for as long as necessary while it is being held for the purpose of any criminal investigation or proceedings, or for use as evidence at a trial, but it must notify the

claimant that the seized item is being retained, and of the reason why it is being retained within 14 days, beginning with the day on which the claim is received.

(8) If a notification of a claim is not received within 28 days in respect of an item seized under regulation 19(8), the enforcement authority may—

(a) if a decision is taken by the enforcement authority not to destroy the seized item but to retain it for the purpose of any criminal investigation or proceedings, or for use as evidence at a trial, retain the seized item for as long as necessary for one of those purposes, but the enforcement authority must—

(i) notify the relevant person that the seized item is being retained, and of the reason why it is being retained, within 14 days of the expiry of the claim period, beginning with the day after the claim period expires; or

(ii) where the enforcement authority does not know who the relevant person is, and this cannot be ascertained after reasonable enquiries have been made by the enforcement authority, attach a notice to a conspicuous part of the premises, or a conspicuous object on those premises, within 14 days of the expiry of the claim period, beginning with the day after the claim period expires, stating that the seized item is being retained, and the reason why it is being retained; or

(b) destroy the seized item within 28 days, beginning with the day after the 28 day claim period expires, if it reasonably believes that the item contravenes these Regulations, and—

(i) notify the relevant person that the seized item has been destroyed within 14 days of its destruction, beginning with the day on which the item is destroyed (or the last day of its destruction where the destruction of the item takes place on more than one day); or

(ii) where the enforcement authority does not know who the relevant person is, and this cannot be ascertained after reasonable enquiries have been made by the enforcement authority, attach a notice to a conspicuous part of the premises, or to a conspicuous object on those premises, within 14 days of the destruction of the item, beginning with the day on which the item is destroyed (or the last day of destruction where the destruction of the item takes place on more than one day) stating that the seized item has been destroyed.

(9) In paragraph (8) the “relevant person” means—

(a) if the enforcement authority knows the identity of a person with a proprietary interest in the seized item, that person or (where they know the identity of more than one person with a proprietary interest in the seized item) each of those persons; or

(b) if the enforcement authority does not know the identity of a person with a proprietary interest in the seized item, the person appearing to them to be in charge of the premises.

(10) In the case of any item destroyed under paragraph (8)(b), the enforcement authority may recover the following costs as a debt from any person who had a proprietary interest in the item immediately before its destruction (apart from a creditor who has a debt secured on the item)—

(a) the costs of the removal and transport of the item from the premises to the place at which it is stored;

(b) the costs of the storage of the item for up to 28 days;

(c) any costs for the removal and transport of the item if it is moved from one place of storage to another place of storage;

(d) the costs of the transport of the item from the place of storage to the place of destruction; and

(e) the costs of the destruction of the item.

(11) If a notification of a claim is received within 28 days in respect of an item seized under regulation 19(8), the enforcement authority must—

- (a) return the seized item within 14 days, beginning with the day on which the claim is received;
- (b) if a decision is taken by the enforcement authority not to destroy the seized item but to retain it for the purpose of any criminal investigation or proceedings or for use as evidence at a trial, retain the item for as long as necessary for one of those purposes but the enforcement authority must notify the claimant that the seized item is being retained, and of the reason why it is being retained, within 14 days of the claim, beginning with the day on which the claim is received; or
- (c) within 14 days of the claim, beginning with the day on which the claim is received, take proceedings (“regulation 20(11)(c) proceedings”) in a magistrates’ court for an order giving them authority to destroy the item.

(12) In regulation 20(11)(c) proceedings the magistrates’ court may—

- (a) authorise the enforcement authority to destroy the seized item;
- (b) authorise the enforcement authority to retain the item for the purpose of any criminal investigation or proceedings, or for use as evidence at a trial, for as long as necessary for one of those purposes; or
- (c) require the enforcement authority to return the item to the claimant and impose a deadline by which this must be done.

(13) If, in regulation 20(11)(c) proceedings, the magistrates’ court authorises the enforcement authority to destroy the seized item, the court may also make an order requiring the claimant (but not a claimant who is a creditor with a debt secured on the item) to pay such of the following costs as the court may specify—

- (a) the costs of the removal and transport of the item from the premises to the place at which it is stored;
- (b) the costs of the storage of the item for up to 28 days;
- (c) any costs for the removal and transport of the item if it is moved from one place of storage to another place of storage;
- (d) the costs of the transport of the item from the place of storage to the place of destruction; and
- (e) the costs of the destruction of the item.

(14) If a notification of a claim is received within 28 days in the case of any computer equipment seized under regulation 19(9), the enforcement authority must—

- (a) return the seized computer equipment within 7 days of the claim, beginning with the day on which the claim is received, or, if shorter, within the remainder of the maximum 28 day period provided for in regulation 19(9); or
- (b) take proceedings in a magistrates’ court within 7 days of the claim, beginning with the day on which the claim is received unless there are 7 days or less remaining before the expiry of the maximum 28 day period provided for in regulation 19(9), for an order authorising the enforcement authority to retain the seized computer equipment in accordance with the requirements laid down in regulation 19(9).

(15) If, in the case of any computer equipment seized under regulation 19(9), the magistrates’ court authorises the enforcement authority to retain the seized computer equipment, the court may impose conditions as to the basis on which the equipment may continue to be retained, including the imposition of a deadline by which the equipment must be returned that is shorter than the 28 day maximum period provided for in regulation 19(9).

(16) The procedure in a magistrates' court under this regulation is by way of complaint and the Magistrates' Courts (Northern Ireland) Order 1981(1) applies to the proceedings.

Compliance notices

21.—(1) If an authorised officer (“O”) has reasonable grounds for believing that any person (“P”) is failing to comply with these Regulations, O may, by notice (a “regulation 21(1) compliance notice”), require P to take such steps as O may specify (or steps at least equivalent to them), within such period as O may specify, to ensure that the non-compliance does not continue or recur.

(2) A regulation 21(1) compliance notice must—

- (a) state O’s grounds for their belief;
- (b) specify the matters that constitute the failure to comply with these Regulations;
- (c) specify what P must stop doing, or the measures that, in O’s opinion, P must take in order to comply with these Regulations;
- (d) require P to stop doing the action specified in the notice, or take the measures specified in the notice, or measures at least equivalent to them, within the period mentioned in the notice;
- (e) inform P of their right of appeal to an appointed person conferred by regulation 22; and
- (f) inform P of the period within which such an appeal may be brought.

(3) A person is guilty of an offence if they fail to comply with a regulation 21(1) compliance notice given to them under paragraph (1).

(4) If O has reasonable grounds for believing that any item mentioned in paragraph (5) does not comply in any one or more respects with the requirements mentioned in Schedule 1, 2 or 3, O may, by notice (a “regulation 21(4) compliance notice”), instruct the person (“P”) who appears to O to be in charge of the premises on which the relevant item is found that, unless otherwise directed in writing by O, the relevant item must not be removed from those premises until it complies with those requirements.

(5) The items are—

- (a) eggs;
- (b) eggs for hatching;
- (c) packs or other containers: for eggs, eggs for hatching or chicks; and
- (d) labels: relating to eggs, eggs for hatching or chicks.

(6) A regulation 21(4) compliance notice must—

- (a) state O’s grounds for their belief;
- (b) specify the matters that constitute the failure to comply;
- (c) specify the measures that, in O’s opinion, must be taken in order to secure compliance;
- (d) inform P of the right of appeal to an appointed person; and
- (e) inform P of the period within which such an appeal may be brought.

(7) P is guilty of an offence if they remove an item to which a regulation 21(4) compliance notice given to them by O relates from the premises on which it was found by O in contravention of the terms of that notice unless directed in writing by O to do so.

(8) A person, other than O and P, who knows about a regulation 21(4) compliance notice, is guilty of an offence if they remove an item to which the notice relates (although the notice was not given

to them) from the premises on which it was found by O in contravention of the terms of that notice unless directed in writing by O to do so.

Appeals

22.—(1) Any person may, within 21 days of the notification of a decision to which this regulation applies, make written representations concerning the decision to a person appointed for this purpose by the Department.

(2) The appointed person shall consider the representations and report in writing to the Department.

(3) The Department shall give the person who made representations written notification of its final determination and the reasons for it.

(4) The procedure in this regulation applies to—

- (a) a decision by the Department to refuse to register an establishment as a pedigree breeding establishment, other breeding establishment or hatchery under Article 2(1) of [Commission Regulation \(EC\) No. 617/2008](#), or to withdraw such a registration;
- (b) a decision by the Department to refuse to authorise an undertaking as a packing centre to grade eggs under the first sub-paragraph of Article 5(2) of [Commission Regulation \(EC\) No. 589/2008](#), or to withdraw such an authorisation;
- (c) a decision by an authorised officer to impose a compliance 21(1) compliance notice; and
- (d) a decision by an authorised officer to impose a compliance 21(4) compliance notice.

(5) The withdrawal of a registration or authorisation referred to in paragraph (4) does not take effect until the time for appealing against it has expired, and, if an appeal is lodged, until the appeal is finally disposed of or withdrawn.

Record-keeping requirements

23.—(1) The Department may, by notice, direct any person carrying on any activity regulated by a provision mentioned in Schedule 1, 2 or 3 to comply with any of the requirements mentioned in paragraph (2).

(2) The requirements are—

- (a) to keep, or cause to be kept, such records as the Department may reasonably require for the purposes of enforcing any such provision;
- (b) to provide the Department with such information derived from such records as the Department may require by the times mentioned in the notice; and
- (c) to retain such records for such period as the Department may reasonably require.

(3) But the Department must not give a direction under paragraph (1) unless the records to which the direction relates are of a type that are normally kept in the course of a business by persons carrying on any activity regulated by a provision mentioned in Schedule 1, 2 or 3 and—

- (a) the direction will be given on or before 28 October 2010 and the Department reasonably suspects that the person to whom the direction will be given has contravened, or failed to comply with, any provision mentioned in Schedule 1, 2 or 3 since the coming into operation of these Regulations;
- (b) the direction will be given on or before 28 October 2010, the person to whom the direction will be given has been convicted of an offence under regulation 4, 8 or 15 of these Regulations and the Department reasonably suspects that, since the conviction, that person—

- (i) has continued to contravene, or fail to comply with, the provision mentioned in Schedule 1, 2 or 3 to which that person's conviction relates; or
 - (ii) has contravened, or failed to comply with, some other provision mentioned in Schedule 1, 2 or 3;
 - (c) the direction will be given on or after 29 October 2010 and the Department reasonably suspects that the person to whom the direction will be given has contravened, or failed to comply with, any provision mentioned in Schedule 1, 2 or 3 within the six month period immediately before the direction is given; or
 - (d) the direction will be given on or after 29 October 2010, the person to whom the direction will be given has been convicted of an offence under regulation 4, 8 or 15 of these Regulations within the six month period immediately before the giving of the direction, and the Department reasonably suspects that, since the conviction, that person —
 - (i) has continued to contravene, or fail to comply with, the provision mentioned in Schedule 1, 2 or 3 to which that person's conviction relates; or
 - (ii) has contravened, or failed to comply with, some other provision mentioned in Schedule 1, 2 or 3.
- (4) A person is guilty of an offence if they do not comply with any requirement imposed on them by a direction given by the Department under paragraph (1).

Publication of enforcement information

24.—(1) An enforcement authority must publicise the cases in which items seized under regulation 19(8) have been destroyed and shall do so in such manner as it sees fit.

(2) But an enforcement authority must not publicise the destruction of any item seized under regulation 19(8) where it considers that it would be inappropriate to do so.

(3) An enforcement authority must publicise the cases in which compliance notices have been given by it under regulation 21 and shall do so in such manner as it sees fit.

(4) But an enforcement authority must not publicise a compliance notice given by it under regulation 21—

- (a) until the time for appealing against the imposition of the compliance notice has passed;
- (b) during the period that any appeal against the imposition of the compliance notice is ongoing;
- (c) where an appeal against the imposition of the compliance notice is successful; or
- (d) in any other case where the enforcement authority considers that it would be inappropriate to do so.

Obstruction

25. A person ("P") is guilty of an offence if they—

- (a) obstruct any person acting in the execution of these Regulations ("O");
- (b) fail to give to O any assistance or information that O may reasonably require of P for the performance of O's functions under these Regulations;
- (c) furnish any false or misleading information to O; or
- (d) fail to produce a record when required to do so to O.

Fine

26. A person guilty of an offence under regulation 4, 8, 15, 19(3), (4),(14) (6), (11) or (12), 21(3), (7) or (8), 23(4) or 25 is liable on summary conviction to a fine not exceeding level 5 on the standard scale.

Extended period for bringing prosecutions

27.—(1) Proceedings for an offence under these Regulations may be commenced within the period of one year from the date on which evidence sufficient in the opinion of the prosecutor to warrant the proceedings came to the prosecutor’s knowledge.

(2) But no such proceedings may be commenced by virtue of paragraph (1) more than three years after the commission of the offence.

(3) For the purposes of this regulation—

- (a) a certificate signed by or on behalf of the prosecutor and stating the date on which evidence sufficient in the prosecutor’s opinion to warrant the proceedings came to the prosecutor’s knowledge is conclusive evidence of that fact; and
- (b) a certificate stating that matter and purporting to be so signed, is deemed to be so signed unless the contrary is proved.

Giving of notices

28.—(1) Any notice required to be given under these Regulations to any person must be in writing and may be given to them by—

- (a) delivering it to them;
- (b) leaving it at their proper address;
- (c) sending it to them by prepaid post at that address; or
- (d) subject to paragraph (5), by being sent to them by an electronic communication.

(2) For the purposes of this regulation and section 24 of the Interpretation Act (Northern Ireland) 1954 (Service of documents) in its application to this regulation, the proper address of any person to whom a notice is to be given is the last known address of the person in question.

(3) Paragraph (4) applies if a person to be given a notice under these Regulations has specified an address (“the specified address”) within the United Kingdom other than their proper address (as decided under paragraph (2)) as the one at which they, or someone on their behalf, will accept documents of the same description as a notice given under these Regulations.

(4) The specified address is also to be treated for the purposes of this regulation and section 24 of the Interpretation Act (Northern Ireland) 1954 in its application to this regulation as the person’s proper address.

(5) If a notice under these Regulations to be given to a person is sent by an enforcement authority by an electronic communication, it is to be treated as given only if—

- (a) the person to whom the notice is given has indicated a willingness to the enforcement authority to receive notices by an electronic communication and provided an address suitable for that purpose; and
- (b) the notice is sent to the address provided by that person.

(6) In this regulation, “electronic communication” has the same meaning as in section 15(1) of the Electronic Communications Act 2000(2).
