 - (b) activity carried on under the licence would (whether individually or taken with activity under licences already granted) cause annoyance to persons making recreational use of the open space, restriction of access for such use by them or other material injury to the amenity of the open space.
- 7 A licence is subject to such terms and conditions as may be required by the licensing scheme.
- 8 The Corporation may revoke a licence if there has been a breach of any of its terms or conditions.
- 9 Any person aggrieved by the refusal of the Corporation to grant a licence, or by the revocation of a licence, may—
 - (a) within 14 days of having been notified by the Corporation of its decision, seek a review of the decision by a committee of the Corporation comprising three members who are magistrates; and
 - (b) if aggrieved by the decision of the committee, appeal within 14 days of having been notified by the Corporation of that decision, to the magistrates' court, and on any such appeal the court may confirm, reverse or vary the decision of the Corporation and may award costs.
