 - (b) an assessment is made which understates a person's liability to tax and, at the end of the period of thirty days beginning on the date of the assessment, he has not taken all such steps as are reasonable to draw the understatement to the attention of the Commissioners,
- and the circumstances are as set out in . . . ^{F5} subsection (2) below, the person concerned shall be liable, subject to subsections (6) and (7) below, to a penalty equal to 30 per cent. of the tax which would have been lost if the inaccuracy had not been discovered.
- [^{F6}(2) The circumstances referred to in subsection (1) above are that the tax for the period concerned which would have been lost if the inaccuracy had not been discovered—
- (a) equals or exceeds 30 per cent. of the true amount of tax for that period, or
 - (b) equals or exceeds whichever is the greater of £10,000 and 5 per cent. of the true amount of tax for that period.]
- (4) [^{F7}Any reference in this section] to the tax for a prescribed accounting period which would have been lost if an inaccuracy had not been discovered is a reference to the aggregate of—

 - (b) the amount (if any) by which output tax for that period was understated;
- but if for any period there is an understatement of credit for input tax or an overstatement of output tax, allowance shall be made for that error in determining the tax for that period which would have been so lost.
- (5) In [^{F8}this section]“the true amount of tax”, in relation to a prescribed accounting period, means the amount of tax which was due from the person concerned for that period or, as the case may be, the amount of the payment (if any) to which he was entitled under section 14(5) of the principal Act for that period.

- (b) that return is corrected, in such circumstances and in accordance with such conditions as may be prescribed, by a return for a later such period which understates or overstates, to the corresponding extent, that liability or entitlement,
- it shall be assumed for the purposes of subsection (5) above that the statement made by each of those returns is a correct statement for the accounting period to which it relates.
- (5B) This section shall have effect in relation to a body which is registered and to which section 20 of the principal Act applies as if—
- (a) any reference to a payment under section 14(5) of that Act included a reference to a refund under the said section 20, and
- (b) any reference to credit for input tax included a reference to tax chargeable on supplies or importations which were not for the purposes of any business carried on by the body.]
- (6) Conduct falling within subsection (1) above shall not give rise to liability to a penalty under this section . . . ^{F10} if—
- (a) the person concerned satisfies the Commissioners or, on appeal, a value added tax tribunal that there is a reasonable excuse for the conduct, or
- (b) at a time when he had no reason to believe that enquiries were being made by the Commissioners into his affairs, so far as they relate to tax, the person concerned furnished to the Commissioners full information with respect to the inaccuracy concerned.

 - (b) whether or not that statement is so submitted, to a penalty in respect of any EC sales statement the last day for the submission of which is after the service and before the expiry of the notice and in relation to which he is in default.
- (4) For the purposes of this section a notice served on any person under subsection (2) above shall continue in force—
 - (a) except in a case falling within paragraph (b) below, until the end of the period of twelve months beginning with the day after the service of the notice; and

- (b) where at any time in that period of twelve months that person is in default in relation to any EC sales statement other than one in relation to which he was in default when the notice was served, until a period of twelve months has elapsed without that person becoming liable to a penalty under this section in respect of any EC sales statement.
- (5) The amount of any penalty to which a person who has been served with a notice under subsection (2) above is liable under this section shall be whichever is the greater of £50 and—
- (a) in the case of a liability in respect of the statement to which the notice relates, a penalty of £5 for every day for which the default continues after the end of the period of fourteen days mentioned in subsection (3)(a) above, up to a maximum of one hundred days; and
- (b) in the case of a liability in respect of any other statement, a penalty of the relevant amount for every day for which the default continues, up to a maximum of one hundred days.

- (7) If a person who, apart from this subsection, would be liable to a penalty under this section satisfies the Commissioners or, on appeal a value added tax tribunal, that—
- (a) an EC sales statement has been submitted at such a time and in such a manner that it was reasonable to expect that it would be received by the Commissioners within the appropriate time limit; or
- (b) there is a reasonable excuse for such a statement not having been dispatched, he shall be treated for the purposes of this Act as not having been in default in relation to that statement and, accordingly, he shall not be liable to any penalty under this section in respect of that statement and any notice served under subsection (2) above exclusively in relation to the failure to submit that statement shall have no effect for the purposes of this section.
- (8) If it appears to the Treasury that there has been a change in the value of money since the coming into force of this section or, as the case may be, the last occasion when the sums specified in subsections (5) and (6) above were varied, they may by order substitute for the sums for the time being specified in those subsections such other sums as appear to them to be justified by the change; but an order under this section shall not apply to any default in relation to a statement the last day for the submission of which was before the order comes into force.
- (9) A statutory instrument containing an order under subsection (8) above shall be subject to annulment in pursuance of a resolution of the House of Commons.

- (3) If a surcharge liability notice is served by reason of defaults in respect of two prescribed accounting periods and the second of those periods ends at or before the expiry of an existing surcharge period already notified to the taxable person concerned, the surcharge period specified in that notice shall be expressed as a continuation of the existing surcharge period and, accordingly, for the purposes of this section, that existing period and its extension shall be regarded as a single surcharge period.
- (4) Subject to subsections (6) to (9) below, if a taxable person on whom a surcharge liability notice has been served is in default in respect of a prescribed accounting period ending within the surcharge period specified in (or extended by) that notice, he shall be liable to a surcharge equal to whichever is the greater of—

 - (b) there is a reasonable excuse for the return or tax not having been so despatched,
- he shall not be liable to the surcharge and for the purposes of the preceding provisions of this section he shall be treated as not having been in default in respect of the prescribed accounting period in question (and, accordingly, any surcharge liability notice the service of which depended upon that default shall be deemed not to have been served).

- (1) Subject to the following provisions of this section, an assessment—
 - (a) under any provision of paragraph 4 of Schedule 7 to the principal Act, or

71 Assets disposed of in a series of transactions.

(1) For the purposes of the Capital Gains Tax Act 1979 (in this section referred to as “the principal Act”), in any case where,—

- (a) by way of two or more material transactions which are linked (in this section referred to as a series of linked transactions), one person disposes of assets to another person with whom he is connected or to two or more other persons with each of whom he is connected, and
- (b) the original market value of the assets disposed of by any of the transactions in the series, as determined under Schedule 21 to this Act, is less than the appropriate portion of the aggregate market value of the assets disposed of by all the transactions in the series, as so determined,

then, subject to subsection (2) below, the disposal effected by any linked transaction in the series in respect of which the condition in paragraph (b) above is fulfilled shall be deemed to be for a consideration equal to the appropriate portion referred to in that paragraph.

(2) Where the disposal effected by a material transaction is one to which section 44 of the principal Act applies (disposals of assets between husband and wife) nothing in subsection (1) above shall affect the amount which, for the purposes of the principal Act, is the consideration for that disposal.

Status: Point in time view as at 01/02/1991. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 1985. (See end of Document for details)

- (3) Subject to subsections (6) to (8) below, any reference in this section to a material transaction is a reference to a transaction by way of gift or otherwise which takes place after 19th March 1985; and for the purposes of this section two or more material transactions are linked if they occur within the period of six years ending on the date of the last of them.
- (4) This section shall apply or, as the case may be, shall again apply—
- (a) when a second material transaction causes a series of linked transactions to come into being; and
 - (b) whenever, on the occurrence of a further material transaction, an existing series is extended by the inclusion of that transaction (whether or not an earlier transaction ceases to form part of the series);
- and all such assessments and adjustments of assessments shall be made as may be necessary to give effect to this section on each such occasion.
- (5) In consequence of the preceding provisions of this section, any gift or other transaction which occurs after 19th March 1985 shall be disregarded for the purposes of section 151 of the principal Act (the previous code for assets disposed of in a series of transactions).
- (6) Where a member of a group of companies disposes of an asset to another member of the group in circumstances such that, by virtue of section 273 of [the Income and Corporation Taxes Act 1970 ^{F60}], both companies are treated, so far as relates to corporation tax on chargeable gains, as if the consideration for the disposal were of such an amount as would secure that neither a gain nor a loss would accrue, the transaction by which that disposal is effected is not a material transaction; and a disposal in these circumstances is in this section referred to as an “inter-group transfer”.
- (7) In any case where—
- (a) a company (in this subsection referred to as “company A”) disposes of an asset by way of a material transaction, and
 - (b) company A acquired the asset after 19th March 1985 by way of an inter-group transfer, and
 - (c) the disposal by company A is to a person who is connected with another company (in this subsection referred to as “company B”) which at some time after 19th March 1985 disposed of the asset by way of an inter-group transfer, and
 - (d) either the disposal by way of inter-group transfer which is referred to in paragraph (c) above was the occasion of the acquisition referred to in paragraph (b) above or, between that disposal and that acquisition, there has been no disposal of the asset which was not an inter-group transfer,
- then, for the purpose of determining whether subsection (1) above applies in relation to a series of linked transactions, the disposal by company A shall be treated as having been made by company B; but any increase in the consideration for that disposal resulting from the application of subsection (1) above shall have effect with respect to company A.
- (8) In any case where one or more transactions occur on or before 19th March 1985 and one or more transactions occur after that date in circumstances such that—
- (a) if all the transactions had occurred before that date, section 151 of the principal Act would have applied in relation to them, and

THE OPERATION OF THE RELIEF

Disposals on which relief may be given

- 5 (1) Relief in accordance with this Schedule shall not be given in respect of any disposal unless the qualifying period relating to that disposal ends on or after 6th April 1985.

Status: Point in time view as at 01/02/1991. This version of this Act contains provisions that are not valid for this point in time.

- (4) Where a claim for relief in accordance with this Schedule is dependent upon an individual having retired on ill-health grounds below the age of 60, the claim shall be made to the Board.

Gains qualifying for relief

- 6 Subject to paragraphs 9 and 10 below, in the case of any qualifying disposal other than one of shares or securities of a company, the gains accruing to the individual or, in the case of a trustees' disposal, the trustees on the disposal of chargeable business assets comprised in the qualifying disposal shall be aggregated, and only so much of that aggregate as exceeds the amount available for relief shall be chargeable gains (but not so as to affect liability in respect of gains accruing on the disposal of assets other than chargeable business assets).
- 7 (1) Subject to paragraphs 9 to 11 below, in the case of a qualifying disposal of shares or securities of a trading company which is not a holding company,—
 - (a) the gains which on the disposal accrue to the individual or, as the case may be, the trustees shall be aggregated, and
 - (b) of the appropriate proportion of the aggregated gains, only so much as exceeds the amount available for relief shall constitute chargeable gains (but not so as to affect liability in respect of gains representing the balance of the aggregated gains).
 - (2) for the purposes of sub-paragraph (1)(b) above, “the appropriate proportion” is that which that part of the value of the company's chargeable assets immediately before the end of the qualifying period which is attributable to the value of the company's chargeable business assets bears to the whole of that value, but, in the case of a company which has no chargeable assets, “the appropriate proportion” is the whole.
 - (3) for the purposes of this paragraph, every asset is a chargeable asset except one, on the disposal of which by the company immediately before the end of the qualifying period, no gain accruing to the company would be a chargeable gain.
- 8 (1) Subject to paragraphs 9 to 11 below, in the case of a qualifying disposal of shares or securities of a holding company,—
 - (a) the gains which on the disposal accrue to the individual or, as the case may be, the trustees shall be aggregated, and

- (2) For the purposes of sub-paragraph (1)(b) above, “the appropriate proportion” is that which that part of the value of the trading group’s chargeable assets immediately before the end of the qualifying period which is attributable to the value of the trading group’s chargeable business assets bears to the whole of that value; but, in the case of a trading group which has no chargeable assets, “the appropriate proportion” is the whole.
- (3) For the purposes of sub-paragraph (2) above,—
- (a) any reference to the trading group’s chargeable assets or chargeable business assets is a reference to the chargeable assets or, as the case may be, chargeable business assets of every member of the trading group; and
 - (b) subject to paragraph (c) below, every asset is a chargeable asset except one, on the disposal of which by the member of the group concerned immediately before the end of the qualifying period no gain accruing to that member would be a chargeable gain; and
 - (c) a holding by one member of the trading group of the ordinary share capital of another member of the group is not a chargeable asset.
- (4) Where the whole of the ordinary share capital of a 51 per cent subsidiary of the holding company is not owned directly or indirectly by that company, then, for the purposes of sub-paragraph (2) above, the value of the chargeable assets and chargeable business assets of that subsidiary shall be taken to be reduced by multiplying it by a fraction of which the denominator is the whole of the ordinary share capital of the subsidiary and the numerator is the amount of that share capital owned, directly or indirectly, by the holding company.
- (5) Expressions used in sub-paragraph (4) above have the same meaning as in section [838(1) ^{F88}] of the Taxes Act (subsidiaries).

- (2) For the purposes of sub-paragraph (1) above, the relevant proportion is that which, at the end of the qualifying period, the qualifying beneficiary’s interest in the income of the part of the settled property comprising the shares, securities or asset in question bears to the interests in that income of all the beneficiaries (including the qualifying beneficiary) who then have interests in possession in that part.
- (3) The reference in sub-paragraph (2) above to the qualifying beneficiary’s interest is a reference to the interest by virtue of which he is the qualifying beneficiary and not to any other interest he may hold.

The amount available for relief: the basic rule

- 13 (1) Subject to the following provisions of this Part of this Schedule, on a qualifying disposal by an individual the amount available for relief by virtue of sections 69 and 70 of this Act is [^{F89}an amount equal to the aggregate of—
- [^{F89}(a) so much of the gains qualifying for relief as do not not exceed the appropriate percentage of £125,000; and
 - (b) one half of so much of those gains as exceed the appropriate percentage of £125,000 but do not exceed that percentage of £500,000;]

- (1A) In sub-paragraph (1) above “the gains qualifying for relief” means, in relation to any qualifying disposal, so much of the gains accruing on the disposal (aggregated under paragraph 6, 7(1)(a) or 8(1)(a) above) as would, by virtue of this Schedule, not be chargeable gains if—

- (b) paragraphs 14 to 16 below were disregarded ^{F89}.]
- (2) The amount available for relief by virtue of section 70 of this Act on a trustees’ disposal shall be determined, subject to sub-paragraph (3) below, in accordance with sub-paragraph (1) above on the assumption that the trustees’ disposal is a qualifying disposal by the qualifying beneficiary.

 - (b) falls, in whole or in part, within the period of ten years ending at the end of the original qualifying period,
- the individual making the disposal or, as the case may be, the relevant beneficiary was concerned in the carrying on of another business (in this paragraph referred to as the “previous business”) then, for the purpose of determining the amount available for relief on the qualifying disposal, the length of the qualifying period appropriate to that disposal shall be redetermined on the assumptions and subject to the provisions set out below.
- (2) For the purposes of the redetermination referred to in subparagraph (1) above, it shall be assumed that the previous business is the same business as the business at retirement and, in the first instance, any time between the end of the earlier business period and the beginning of the qualifying period shall be disregarded (so that those two periods shall be assumed to be one continuous period).
 - (3) The reference in sub-paragraph (1) above to a person being concerned in the carrying on of a business is a reference to his being so concerned personally or as a member of a partnership or, if the business was owned by a company, then as a full-time working director of that company or, as the case may be, of any member of the group or commercial association of which it is a member; and the reference in subparagraph (2) above to the business at retirement is a reference to that business which, in relation to the qualifying disposal, is referred to—
 - (a) in subsection (3), subsection (4) or subsection (5) of section 69 of this Act where the qualifying disposal is a material disposal of business assets;
 - (b) in subsection (5) of section 70 of this Act where that disposal is a trustees’ disposal; and

Relief given on earlier disposal

- 15 (1) In any case where—
- (a) an individual makes a qualifying disposal or is the qualifying beneficiary in relation to a trustees' disposal, and
 - (b) relief has been (or falls to be) given under this Schedule in respect of an earlier disposal which was either a qualifying disposal made by the individual or a trustees' disposal in respect of which he was the qualifying beneficiary,
- the amount which, apart from this paragraph, would be the amount available for relief on the disposal mentioned in paragraph (a) above shall not exceed the limit in sub-paragraph (3) below.
- (2) [In the following provisions of this paragraph ^{F90}—
- (a) the disposal falling within sub-paragraph (1)(a) above is referred to as “the later disposal”; and
 - (b) the disposal falling within sub-paragraph (1)(b) above or, if there is more than one such disposal, each of them is referred to as “the earlier disposal”.
- (3) The limit referred to in sub-paragraph (1) above is the difference between—
- (a) the amount which would be available for relief on the later disposal if the qualifying period appropriate to that disposal (as redetermined where appropriate under paragraph 14 above) were extended by the addition of a period equal to so much (if any) of the qualifying period appropriate to the earlier disposal, (or, as the case may be, to each of the earlier disposals) as does not already fall within the qualifying period appropriate to the later disposal
 - (i) if the gains qualifying for relief on that disposal were increased by the amount of the underlying gains relieved on the earlier disposal (or the aggregate amount of the underlying gains relieved on all the earlier disposals, as the case may be); and
 - (ii) if the qualifying period appropriate to the later disposal ^{F91}] (as redetermined where appropriate under paragraph 14 above) were extended by the addition of a period equal to so much (if any) of the qualifying period appropriate to the earlier disposal (or, as the case may be, to each of the earlier disposals) as does not already fall within the qualifying period appropriate to the later disposal; and
 - (b) the amount of relief given under this Schedule on the earlier disposal or, as the case may be, the aggregate of the relief so given on all the earlier disposals.
- (3A) Where there is only one earlier disposal, or where there are two or more such disposals but none of them took place on or after 6th April 1988, then, for the purposes of sub-paragraph (3)(a)(i) above—
- (a) if the earlier disposal took place on or after 6th April 1988, the amount of the underlying gains relieved on that disposal is the aggregate of—

- (i) so much of the gains qualifying for relief on that disposal as were, by virtue of paragraph 13(1)(a) above, not chargeable gains; and
 - (ii) twice the amount of so much of those gains as were, by virtue of paragraph 13(1)(b) above, not chargeable gains; and
 - (b) if the earlier disposal took place before 6th April 1988, the amount of the underlying gains relieved on that disposal (or on each such disposal) is so much of the gains qualifying for relief on that disposal as were, by virtue of paragraph 13 above, not chargeable gains.
- (3B) Where there are two or more earlier disposals and at least one of them took place on or after 6th April 1988, then, for the purposes of sub-paragraph (3)(a)(i) above, the aggregate amount of the underlying gains relieved on all those disposals shall be determined as follows—
- (a) it shall be assumed for the purposes of paragraph (b) below—
 - (i) that the amount which resulted from the calculation under sub-paragraph (3)(a) above on the last of those disposals (“the last disposals”) was the amount of the gains qualifying for relief on that disposal which were, by virtue of this Schedule, not chargeable gains (the “gains actually relieved”);
 - (ii) that the qualifying period appropriate to that disposals (as redetermined where appropriate under paragraph 14 above) was that period as extended in accordance with that sub-paragraph (3)(a)(ii) above; and
 - (iii) that the last disposal was the only earlier disposal;
 - (b) there shall then be ascertained in accordance with paragraph 13(1) above (but on the assumption in paragraph (a) above)—
 - (i) how much of the gains actually relieved would, by virtue of paragraph 13(1)(a) above, not have been chargeable gains; and
 - (ii) how much of the gains actually relieved would, by virtue of paragraph 13(1)(b) above, not have been chargeable gains; and
 - (c) the aggregate amount of the underlying gains relieved on all the earlier disposals is the sum of—
 - (i) the amount ascertained under paragraph (b)(i) above; and
 - (ii) twice the amount ascertained under paragraph (b)(ii) above.
- (3C) In this paragraph “the gains qualifying for relief” has the meaning given by paragraph 13(1A) above ^{F92]}
- (4) References in this paragraph to relief given under this Schedule include references to relief given under section 34 of the ^{M95} Finance Act 1965 or section 124 of the ^{M96} Capital Gains Tax Act 1979; and—
- (a) in relation to relief given under either of those sections paragraph (b) of sub-paragraph (1) above shall have effect as if, for the words from “which was” onwards, there were substituted “made by the individual”; and
 - (b) for the purpose of determining the limit in sub-paragraph (3) above where the earlier disposal (or any of the earlier disposals) was a disposal in respect of which relief was given under either of those sections—
 - (i) the underlying gains relieved on that disposal shall (subject to sub-paragraph (3B) above) be taken to be gains of an amount equal to the relief given under the section in question in respect of that disposal; and

- (ii) the reference in sub-paragraph (3)(a)(ii) above to the qualifying period appropriate to the earlier disposal shall be construed in accordance with paragraph (c) below;
- (c) for the purpose mentioned in paragraph (b) above, that reference shall, as respects the earlier disposal in question, be taken to be ^{F93} a reference,—
 - (i) if the disposal took place on or before 11th April 1978, to the period of ten years ending with the disposal; and
 - (ii) in any other case, to the qualifying period within the meaning of the section in question.

SCHEDULE 21

Section 71

ASSETS DISPOSED OF IN A SERIES OF LINKED TRANSACTIONS

- 1 (1) This Schedule has effect for determining the original market value of assets and the aggregate market value of assets as mentioned in subsection (1)(b) of section 71 of this Act (in this Schedule referred to as “the principal section”).
- (2) Expressions used in this Schedule have the same meaning as in the principal section.
- 2 Where there is a series of linked transactions, the original market value of the assets disposed of by each transaction in the series shall be determined as follows—
- (a) if at the time in question the transaction is the most recent in the series, the original market value of the assets disposed of by that transaction is the market value which, apart from the principal section, would be deemed to be the consideration for that transaction for the purposes of the principal Act; and
 - (b) in the case of any other transaction in the series, the original market value of the assets disposed of by that transaction is the value which, prior to the occurrence of the most recent transaction in the series, was or would have been deemed for the purposes of the principal Act to be the consideration for the transaction concerned (whether by virtue of that Act or the previous operation of the principal section).
- 3 (1) Subject to paragraph 4 below, in relation to any transaction in a series of linked transactions,—
- (a) any reference in the principal section or this Schedule to the aggregate market value of the assets disposed of by all the transactions in the series is a reference to what would have been the market value of all those assets for the purposes of the principal Act if, considering all the assets together, they had been disposed of by one disposal occurring at the time of the transaction concerned; and
 - (b) any reference in the principal section to the appropriate portion of the aggregate market value of the assets disposed of by all the transactions in the series is a reference to that portion of the market value determined in accordance with paragraph (a) above which it is reasonable to apportion to those of the assets which were actually disposed of by the transaction concerned.
- (2) The reference in sub-paragraph (1)(a) above to considering all the assets together includes a reference not only to considering them as a group or holding or collection of assets retaining their separate identities but also (if it gives a higher market value) to considering them as brought together, physically or in law, so as to constitute either a single asset or a number of assets which are distinct from those which were comprised in each of the transactions concerned.
- 4 (1) If any of the assets disposed of by all the transactions in a series of linked transactions were acquired after the time of the first of those transactions, then, in the application of paragraph 3 above in relation to each of the transactions in the series,—

- (a) no account shall be taken of any assets which were acquired after the time of that transaction unless they were acquired by way of an inter-group transfer; and
 - (b) subject to sub-paragraph (2) below, the number of assets of which account is to be taken shall be limited to the maximum number which were held by the person making the disposal at any time in the period beginning immediately before the first of the transactions in the series and ending immediately before the last.
- (2) If, before the first of the transactions referred to in paragraph (b) of sub-paragraph (1) above, the person concerned (being a company) disposed of any assets by way of an inter-group transfer, the maximum number of assets referred to in that paragraph shall be determined as if the inter-group transfer had occurred after that first transaction.
- (3) In the application of sub-paragraph (1) above in a case where the assets disposed of are securities, the assets disposed of by any of the transactions in a series of linked transactions shall be identified with assets acquired on an earlier date rather than with assets acquired on a later date.
- (4) In sub-paragraph (3) above “securities” includes any assets which are of a nature to be dealt in without identifying the particular assets disposed of or acquired.
