 - (d) its liquid assets being in excess of the limit imposed on them by section 21,the powers conferred by this section become exercisable by the Commission in relation to a building society (the limits referred to in paragraphs (a), (b), (c) and (d) above being referred to in this section as " the relevant statutory limits ").
- (2) The Commission may give the society a direction under subsection (3), (5) or (6) below.
- (3) A direction by the Commission under this subsection is a direction requiring the society, within a specified period, to submit for its approval a plan (in this section referred to as a " restructuring plan ") designed to secure the following purposes, that is to say—
 - (a) that the assets and liabilities of the society will not, by the end of the period of 12 months beginning with the date of the direction, exceed the relevant statutory limits as applied at the last day of that period, and
 - (b) that they will not thereafter exceed the relevant statutory limits.

Status: This is the original version (as it was originally enacted).

- (4) For the purpose of applying the relevant statutory limits as directed by subsection (3) (a) above—
- (a) in the case of a limit which operates by reference to the end of a financial year of a society, the financial year of the society shall be treated as ending on the day as at which the limits are to be applied ; and
 - (b) the assets and liabilities of the society shall be determined by reference to a balance sheet prepared by the directors by reference to that day and sent to the Commission within the period of three months beginning with that day ;
- and section 81(4) shall apply in the event of a default in complying with this provision as it applies in the event of a default in complying with subsection (2) of that section.
- (5) A direction by the Commission under this subsection is a direction requiring the society—
- (a) within the period of six months beginning with the date of the direction, to submit to its members for their approval at a meeting or by ballot the requisite transfer resolutions for a transfer of the business of the society to a company under section 97; and
 - (b) to notify the Commission of the result of the meeting or ballot.
- (6) A direction by the Commission under this subsection is a direction requiring the society, at its option, either—
- (a) within a specified period, to submit for approval a restructuring plan, or
 - (b) within the period of six months beginning with the date of the direction, to submit to its members for their approval at a meeting or by ballot the requisite transfer resolutions for a transfer of the business of the society to a company under section 97 ;
- and, within a specified period, to notify the Commission of the option it has decided to pursue.
- (7) Where a restructuring plan is submitted by a society to the Commission under subsection (3) or (6) above then—
- (a) if it appears to the Commission that the plan is reasonably likely to secure its purposes, the Commission shall approve it and direct the society to carry it out;
 - (b) if it appears to it that the plan is, with modifications, likely to secure its purposes and the Commission and the society agree on appropriate modifications within the period of 21 days from the date on which the Commission notifies the society of the modifications it proposes for the society's agreement, the Commission shall approve the plan as modified and direct the society to carry it out;
- but otherwise it shall reject the plan.
- (8) Where a meeting or ballot is held, in pursuance of a direction under subsection (5) or (6) above, for the purpose of voting on the requisite transfer resolutions, then—
- (a) if the resolutions are agreed to and the confirmation of the transfer by the Commission is obtained, the society shall proceed under section 97 to transfer its business to a successor company ;
 - (b) if either resolution is disagreed to, the society shall notify the Commission of that fact as soon as it is practicable to do so.

Status: This is the original version (as it was originally enacted).

- (9) In the event of the Commission receiving a notice from a society under subsection (8) (b) above, it may, if it thinks fit, serve on the society a direction requiring it, within a specified period, to submit to the Commission for its approval a restructuring plan; and if the Commission does so, subsection (7) above shall apply as if the plan had been submitted under subsection (3) above.
- (10) The Commission may, if it thinks fit, extend or further extend, any period during which a building society is to take any steps required of it under any of the foregoing provisions of this section and may do so whether or not application is made to it before the expiry of the period in question.
- (11) If a building society fails, within the period allowed to it under the foregoing provisions of this section—
- (a) where it has been given a direction under subsection (3) above, to submit a restructuring plan,
 - (b) where it has been given a direction under subsection (5) above, to submit to members the requisite transfer resolutions,
 - (c) where it has been given a direction under subsection (6) above, to either submit a restructuring plan or submit to members the requisite transfer resolutions,
 - (d) where it has been directed under subsection (7) above to carry out a restructuring plan, to secure the purpose of it specified in subsection (3)(a) above,
 - (e) to agree to the requisite transfer resolutions submitted to the members in pursuance of subsection (5) or (6) above, or
 - (f) where it has agreed to the requisite transfer resolutions, to proceed under section 97 to transfer its business to the successor company,
- or if the Commission rejects a restructuring plan under subsection (7) above, the powers conferred on the Commission by section 37 shall become exercisable in relation to the society.
- (12) In this section " confirmation ", " the requisite transfer resolutions " and " transfer " have the same meaning as in section 97.

37 Powers in event of breach of limits on assets or liabilities or abuse of purpose of building society

- (1) Where—
- (a) by virtue of section 36(11) the powers conferred by this section become exercisable in relation to a building society, or
 - (b) the Commission has reason to believe that the purpose or principal purpose of a building society has ceased to be that required by section 5(1) for the establishment of a building society under this Act,
- the Commission may present a petition to the High Court for the winding up of the society under the applicable winding up legislation or make an application to the High Court for an order giving directions to the society under subsection (2) below; and the power to present a petition or to make an application for such an order is available to the Commission whether or not it has previously made an application for such an order or presented a petition, as the case may be.
- (2) An order under this subsection is an order directing the society—

Status: This is the original version (as it was originally enacted).

- (a) in a case where the application is made under subsection (1)(a) above, to carry out the restructuring plan as directed in the order, and
 - (b) in a case where the application is made under subsection (1)(b) above, to modify its business as directed in the order.
- (3) An order under subsection (2)(b) above may require the society to take certain steps or to refrain from pursuing a particular course of action or to restrict the scope of its business in a particular way.
- (4) Where the High Court makes an order under subsection (2) above, the Commission shall give a copy of it to the central office and the central office shall keep the copy in the public file of the society.
- (5) The High Court shall not make an order winding up the society on an application under subsection (1)(b) above unless it is satisfied that the purpose or principal purpose of the society has ceased to be that required by section 5(1) for the establishment of a building society under this Act.
- (6) In the application of this section to a building society whose principal office is in Scotland, references to the High Court shall be read as references to the Court of Session.

Power to determine extent of building society powers

38 Power to determine building society's powers

- (1) The Commission shall have power to determine whether a particular activity of a building society or its subsidiary is or is not within the existing powers of the society and may, if it thinks fit, take such professional advice as it considers it needs to enable it to make the determination.
- (2) A determination may be made under this section in relation to an activity which is proposed to be carried on as well as in relation to one which is being carried on.
- (3) The powers of the Commission in relation to a building society are exercisable—
- (a) on an application made by the society, requesting the Commission to make the determination,
 - (b) on an application made by the society at the direction of the central office under Part II of Schedule 2 to this Act, or
 - (c) on the Commission's own motion or on an application made by the society at its direction,
- as provided in subsection (4), (5), (6) or (8) below.
- (4) A building society may at any time, on complying with the following provisions of this section, make an application to the Commission for a determination under this section whether an activity specified in the application is or is not within its powers if the directors of the society are of the opinion that there is a doubt about the existence or extent of the powers to carry on the activity which requires to be resolved in the interests of the society.
- (5) A building society which has been directed by the central office under Part II of Schedule 2 to this Act to make an application to the Commission under this section shall, in accordance with the direction, make an application to the Commission for a

determination whether the activity specified in the application is or is not within its powers.

- (6) If it appears to the Commission at any time that a building society or its subsidiary is carrying on or is about to carry on an activity which is or may be outside the existing powers of the society, the Commission may, by notice to the society specifying the activity and its opinion, direct it to make an application for a determination under this section whether the activity is or is not within its powers and it shall be the duty of the society to comply with the direction.
- (7) A direction under subsection (6) shall require the application to be made within the period of 21 days beginning with the date on which the notice is given, but the Commission may extend or further extend the period within which the application is to be made.
- (8) If a building society fails, within the time allowed by or under subsection (7) above, to make an application as directed under subsection (6) above, the Commission may, of its own motion, proceed to make a determination under this section as if an application had been made by the society.
- (9) An application by a building society under subsection (4), (5) or (6) above shall be made in writing, signed by the secretary as such an application, and shall comprise—
 - (a) a statement of the question for determination, specifying the activity and the powers in question, the nature of the doubt and (except in the case of an application under subsection (6)) the arguments for and against the activity being within those powers, as they appear to the society, and
 - (b) such documents or draft documents and such other information as are necessary to enable the determination to be made.
- (10) The statement of the question for determination may, with the agreement of the Commission, be amended at any time before the determination is made and in that event further documents and other information may be included in the application.
- (11) The Commission may, by notice to the society, require a society making an application under subsection (4), (5) or (6) above to amend the statement of the question for determination or to furnish such further documents or other information or such explanations of the statement, documents or information as appear to it to be necessary to enable the determination of the question to be made ; and the Commission may allow or require the explanations to be made orally instead of in writing.
- (12) In this section and sections 39 and 40—
 - " activity " includes the exercise, or purported exercise, of any power under this Act, including the holding of any property or rights;
 - " existing", with reference to powers, means existing at the relevant date and, in relation to a building society, " existing powers " denotes the powers it has, or has adopted, under this Act, with any restrictions it has assumed, as at that date but disregarding anything done by the Commission and then in force (otherwise than under section 39 or 40) by virtue of which the society is precluded from exercising, or is subject to restrictions on the exercise of, its powers ;
 - " the relevant date", in relation to a building society, means—
 - (a) in a case where the Commission decides to proceed of its own motion, the date when the Commission so decides;

Status: This is the original version (as it was originally enacted).

- (b) in a case where the society makes the application at the direction of the central office, the date specified in the direction; and
 - (c) in any other case, the date on which the society makes the application.
- (13) Nothing in this section or section 39 or 40 implies that it is improper for the Commission to give to a building society or building societies generally an indication of the action it might or might not take in relation to any proposed activity of theirs; and if any determination comes to be made in relation to the activity the proceedings shall not be liable to be set aside by reason of the indication having been given.

39 The determination: notification, effect, appeal

- (1) A determination of the Commission under section 38 shall be in writing and, as soon as practicable after it is made, the Commission shall notify the society of the determination and the reasons for it.
- (2) On receiving notice of the determination the society shall, if it is a determination that the activity in question was outside its powers, forthwith send a copy of it to every person who the society has reason to believe will or may be affected by it other than a person whose only interest is as a shareholder in, or depositor with, the society.
- (3) Subject to subsection (4) below, the Commission shall, within the period of one month beginning with the date of the notice to the society under subsection (1) above, publish the determination in such manner as it thinks appropriate.
- (4) Where the determination is made on an application made by the society under section 38(4), the Commission may, on the application of the society, postpone the publication of the determination for such period as it thinks fit, not exceeding the period of six months beginning with the date of the notice to the society under subsection (1) above, if it appears to the Commission that it is just to do so.
- (5) A determination under section 38 shall bind all persons, whether or not (in the case of an application) they were parties to it and, subject to any appeal under subsection (8) below, shall be final and conclusive for all purposes.
- (6) Where the activity in question was at the relevant date being carried on by the society and the determination is that the activity is outside the powers of the society the directors of the society shall be personally liable, jointly and severally, for any loss or expense to the society consequent on the activity's being outside its powers (including, if a prohibition order under section 40 is made, any loss or expense consequent on the order).
- (7) If it appears to the Commission that proceedings under subsection (6) above have not been, but ought in the interests of the society to be, brought, the Commission may bring such proceedings in the name and on behalf of the society; and if it does so the Commission may indemnify the society against the costs or expenses incurred by the society in, or in connection with, proceedings brought by virtue of this subsection.
- (8) Any person affected by a determination under section 38 shall be entitled within the period of six weeks beginning with the date of the notice under subsection (1) above or such further period as the Court may allow, to appeal to the High Court against the determination in accordance with rules of court on the ground that it is erroneous in law and the Commission shall be made respondent on the appeal.

Status: This is the original version (as it was originally enacted).

- (9) On any appeal to the High Court under subsection (8) above the High Court may confirm, reverse or vary the determination appealed from.
- (10) In the application of this section to a building society whose principal office is in Scotland, references to the High Court shall be read as references to the Court of Session.
- (11) The Commission may, if it thinks fit, require a building society in whose case it has made a determination under section 38 to pay such fee as the Commission directs.

40 Power to make prohibition orders

- (1) On or at any time after making a determination under section 38 that a specified activity is outside the powers of a building society, the Commission shall, if it appears to it—
 - (a) that the activity is being carried on by the society, or
 - (b) that the activity has not been but, unless a prohibition order is made under this section, may be carried on by the society,serve on the society a notice of the Commission's intention to issue a prohibition order directed to the society.
- (2) A prohibition order under this section is an order prohibiting, subject to the saving or transitional provisions of the order, the continuance or, as the case may be, the carrying on of the activity specified in the order, either absolutely or unless conditions specified in the order are complied with, after a date specified in the order and requiring, subject to the saving or transitional provisions of the order, the disposal within a specified period of all assets acquired or otherwise in its possession by virtue of the activity.
- (3) A disposal of assets in pursuance of a prohibition order shall vest the assets in the transferee but without prejudice to any claim against the society by a person who had an interest in the assets.
- (4) The saving or transitional provisions which may be included in a prohibition order shall be such as appear to the Commission to be just having regard to the interests of shareholders of and depositors with the society and the interests of other persons who will be affected by the order; but the provisions shall not in any respect suspend the operation of the order beyond the period of one year.
- (5) A prohibition order may include a direction for treating assets of any description as assets of the class specified in the direction for the purposes of the requirements of Part III for the structure of commercial assets.
- (6) A notice under subsection (1) above of the Commission's intention to issue a prohibition order shall—
 - (a) specify the date on which the order is to be issued, being a date not earlier than the end of the period of 21 days beginning with the date of the notice;
 - (b) specify the terms of the order, including any saving or transitional provisions proposed to be included in it;
 - (c) inform the society of its right to make representations to the Commission before the order is issued as to the saving or transitional provisions to be included in the order; and
 - (d) inform the society of its duty under subsection (7) below.

Status: This is the original version (as it was originally enacted).

- (7) On receiving a notice under subsection (1) above the society shall forthwith send a copy of it to every other person whom it has reason to believe will or may be affected by the determination under section 38 on which the order will be founded.
- (8) Any person who may be affected by the determination under section 38 on which the order will be founded may, at any time before the order is made, make representations to the Commission as to the inclusion in it of saving or transitional provisions affecting his interests and they may be made orally or in writing.
- (9) After considering any representations made under subsection (8) above the Commission shall make the prohibition order with such saving and transitional provisions (if any) as it thinks just, shall issue the order by causing it to be served on the society and shall direct the central office to keep a copy of it in the public file of the society.
- (10) A prohibition order so made and issued shall, subject to subsection (15) below, take effect on the date specified in the order.
- (11) A copy of any order issued under subsection (9) above shall also be served on each director and on the chief executive of the society.
- (12) The requirement of subsection (11) above, so far as it relates to directors, is satisfied by serving a copy on each director whose appointment has been officially notified and the non-receipt of a copy by a director or the chief executive does not affect the validity of the direction.
- (13) Subject to subsection (14) below, a prohibition order shall remain in force until revoked by the Commission.
- (14) The Commission may suspend or revoke a prohibition order so far as it relates to an asset the disposal of which appears to it, on the application of the society, to be impracticable.
- (15) If, when a prohibition order has been made, an appeal is pending before the High Court under section 39(8) against the determination on which the order is founded the High Court may, on application made to it, order that the operation of the prohibition order be stayed until the determination of the appeal; but it shall not do so unless it is satisfied that it is in the public interest that it be stayed.
- (16) If a society contravenes a prohibition order issued against it under this section the Commission may certify the contravention in writing to the High Court; and the Court may thereupon inquire into the case and, after hearing any witnesses who may be produced against or on behalf of the society and after hearing any statement which may be offered in defence, may punish the society in like manner as if it had been guilty of contempt of the court.
- (17) In the application of this section to a building society whose principal office is in Scotland, references to the High Court shall be read as references to the Court of Session and references to staying shall be read as references to sisting.

Powers in relation to authorisation

41 Power to direct application to renew authorisation

- (1) If, with respect to a building society for which an authorisation is in force, the Commission has reason to believe that the society's business is or may be being conducted in a way that may not adequately protect the investments of shareholders and depositors then, subject to subsections (2) and (3) below, it may by notice direct the society to make an application under this section to renew its authorisation.
- (2) The power conferred on the Commission by this section is not exercisable more than once during any period of five years during the whole of which the society has held a current authorisation except where, during that period, the society has, under section 94, undertaken to fulfil the engagements of another society.
- (3) A notice under subsection (1) above shall require the society to make the application for renewal within such period as is specified in the notice, being a period not shorter than three nor longer than six months beginning with the date of the notice, but the Commission may, on representations being made to it, extend or further extend the period within which the application is to be made.
- (4) A notice under subsection (1) shall indicate the grounds on which the Commission has decided to give a direction under this section.
- (5) Authorisation, if renewed under this section, shall be granted unconditionally or subject to conditions as provided by subsection (6) or (7) below.
- (6) Subject to subsection (11) below, the Commission, on an application duly made for renewal of authorisation under this section, shall grant unconditional authorisation to the society if it is satisfied that—
 - (a) the society has qualifying capital of an amount which is not less than the prescribed minimum ;
 - (b) the society has adequate reserves and other designated capital resources;
 - (c) the chairman of the board of directors and any executive directors, the chief executive, the secretary and the managers (if any) are each fit and proper persons to hold their respective offices in the society ;
 - (d) the board of directors, with the chief executive and secretary, have the capacity and intention to direct the affairs of the society in accordance with the criteria of prudent management and have secured that those criteria are being satisfied ; and
 - (e) the investments of shareholders and depositors will be adequately protected without the imposition of conditions.
- (7) If the Commission, on an application so made, is not satisfied of the matters specified in subsection (6) above in relation to the society, it shall, subject to subsection (10) below—
 - (a) if it is satisfied that the imposition of conditions would secure the protection of the investments of shareholders and depositors, grant authorisation subject to such conditions to be complied with by the society (whether or not they correspond to any conditions in force as respects the current authorisation) as the Commission thinks fit to impose to secure that purpose ; or
 - (b) if not so satisfied, refuse to grant the authorisation;

Status: This is the original version (as it was originally enacted).

and if it refuses to grant authorisation under this section the authorisation current under section 9 shall expire on the date specified by the Commission in the notice of its refusal except where section 46(4) applies.

- (8) If the Commission refuses to grant authorisation to a building society under this section it shall inform the central office of the fact and the date on which the current authorisation of the society expires; and the central office shall record that date in the public file of the society.
- (9) Subsections (6) and (7) of section 9 apply as respects the imposition of conditions on the renewal of authorisation under this section as they apply as respects the imposition of conditions under that section.

 - (a) the making and determination of applications for authorisation,
 - (b) the furnishing of information or additional information in connection with such applications, and
 - (c) the imposition of conditions of authorisation,apply in relation to authorisation under this section.
- (11) The making of an application under this section at the direction of the Commission shall not preclude the Commission, at any time while the application is pending, from imposing conditions on the society's authorisation under section 42 or revoking the society's authorisation under section 43 ; but if it revokes the authorisation the proceedings under this section shall abate.
- (12) An authorisation granted under this section shall be treated for the purposes of this Act as an authorisation granted under section 9 and in particular subsection (9) of that section shall apply as if any conditions had been imposed under subsection (5) of that section.
- (13) Any expression used in this section to which a meaning is given by section 9(13) has that meaning in this section.
- (14) This section shall expire at the end of the period of 5 years beginning with the date on which this Act is passed unless continued in force by an order under subsection (15) below.
- (15) The Treasury may from time to time by order provide that this section shall continue in force for a period not exceeding 5 years from the coming into operation of the order.
- (16) The power to make an order under subsection (15) above is exercisable by statutory instrument but no such order shall be made unless a draft of it has been laid before and approved by a resolution of each House of Parliament.
- (17) Section 45 applies for the interpretation of "adequate reserves" and "designated capital resources" in subsection (6) above.

42 Imposition of conditions on current authorisation

- (1) If, with respect to a building society for which an authorisation is in force, the Commission considers it expedient to do so in order to protect the investments of shareholders or depositors, it may, subject to subsection (7) below, impose conditions to be complied with by the society.

- (2) Section 45 has effect for the purpose of any determination whether or not it is expedient to exercise the powers conferred by this section.
- (3) Failure by a society to comply with conditions imposed under this section shall render it liable, if other conditions are not imposed on it under this section, to have its authorisation revoked under section 43(1).
- (4) The conditions that may be imposed by the Commission under this section may—
 - (a) relate to any activities of the society, whether or not those for which authorisation is required ; and
 - (b) require the society to take certain steps or to refrain from adopting or pursuing a particular course of action or to restrict the scope of its business in a particular way.
- (5) Without prejudice to the generality of subsection (4) above, conditions imposed under this section may—
 - (a) impose limitations on the issue of shares, the acceptance of deposits or the making of advances or other loans ;
 - (b) require the society to take steps with regard to the conduct of the business of any subsidiary or other associated body; and
 - (c) require the removal of any director or other officer.
- (6) The Commission may impose conditions under this section where it proceeded under section 41 or where it proceeded under section 43 with a view to revoking the society's authorisation.
- (7) The Commission shall not impose conditions under this section except in accordance with the provisions of Part III or, where applicable, Part IV of Schedule 3 to this Act; and the other provisions of that Part shall have effect in relation to the imposition of conditions under this section.
- (8) Conditions imposed under this section—
 - (a) may be varied from time to time (and notwithstanding any pending appeal) by agreement between the Commission and the society ; and

43 Revocation of authorisation

- (1) The Commission may, subject to subsection (4) below, revoke a building society's authorisation if—

 - (b) it appears to the Commission that a period of six months has elapsed since the end of a financial year of the society without the society's having sent to it the annual accounts for that year as required by section 81(2);

- (5) Where a society's authorisation is revoked under subsection (1) or (3) above the provisions of subsections (6), (7) and (8) below shall have effect.
- (6) Subject to subsection (7) below, any obligation to make a payment to the society which, by virtue of section 9(1), the society is prohibited from accepting shall be wholly rescinded.
- (7) If, when a society's authorisation is revoked, a member is under an obligation to make payments to the society which represent instalments of the amount due by way of subscription for a share in the society and which, by virtue of section 9(1) the society is prohibited from accepting, the obligation shall (subject to anything in the rules of the society or any agreement between the society and the member) be suspended in respect of each instalment for the period during which no authorisation is in force; and accordingly, if reauthorisation is granted, the sum due shall again become payable by instalments.
- (8) It shall be the duty of the society to make reasonable arrangements for using the funds of the society to meet applications by depositors with or holders of shares in the society (being applications made in accordance with the rules of the society) for repayment of the money deposited or subscribed by them.
- (9) Where a society's authorisation is revoked under this section, the Commission shall inform the central office of the fact and the date on which the revocation takes effect and the central office shall record that date in the public file of the society.
