- (4) The matters mentioned in this subsection are—
 - (a) the persons who shall be entitled to arrange for aircraft of which they are the operators to take off or land at the aerodrome during the periods in question, and

- (8) A noise control scheme shall not be established in relation to an aerodrome which is designated for the purposes of section 78 of this Act; and on such a designation coming into force in relation to an aerodrome any noise control scheme which has effect in relation to the aerodrome shall cease to have effect.
- (9) The amendment or revocation of a noise control scheme, or its ceasing to have effect by virtue of subsection (8) above, shall not affect the validity of anything previously done under the scheme.
- (10) The powers conferred on an aerodrome operator by this section and sections 38B and 38C below are in addition to, and do not prejudice, any other power of the aerodrome operator to take steps for the purpose of avoiding, limiting or mitigating the effect of noise connected with the taking off or landing of aircraft at the aerodrome.

 - (f) any other body appearing to the Secretary of State to be representative of persons concerned with the locality in which the aerodrome is situated.

38C Breaches of noise control schemes

- (1) This section also applies where a noise control scheme imposes requirements under section 38A(2)(a) above in relation to aircraft taking off or landing at an aerodrome.
- (2) The scheme may provide for the aerodrome operator to require the payment of a penalty if any such requirement is not complied with in relation to an aircraft taking off or landing at the aerodrome.
- (3) Any such penalty shall be—
 - (a) of an amount specified in the scheme, and
 - (b) paid to the aerodrome operator by the operator of the aircraft in question.
